

Draw a Shark

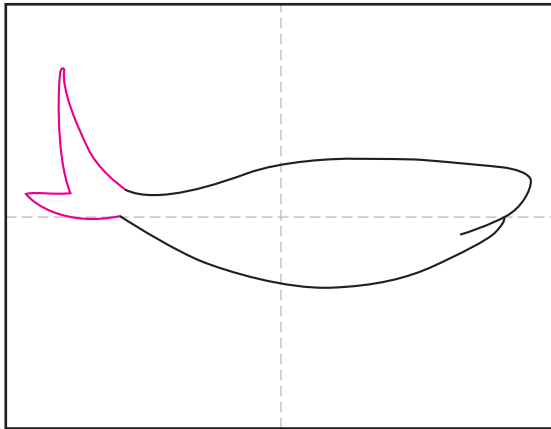

1. Scan to see my YouTube Shark video.

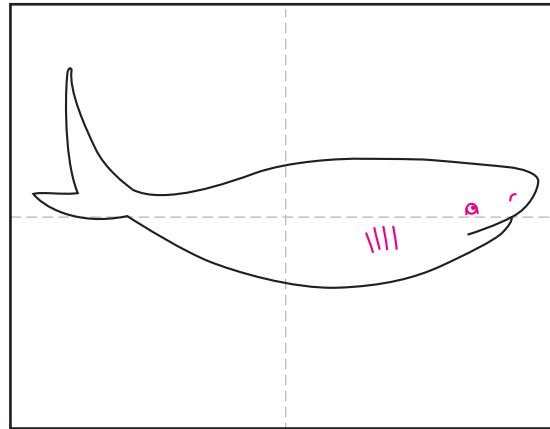

2. Start the right side of the shark body.

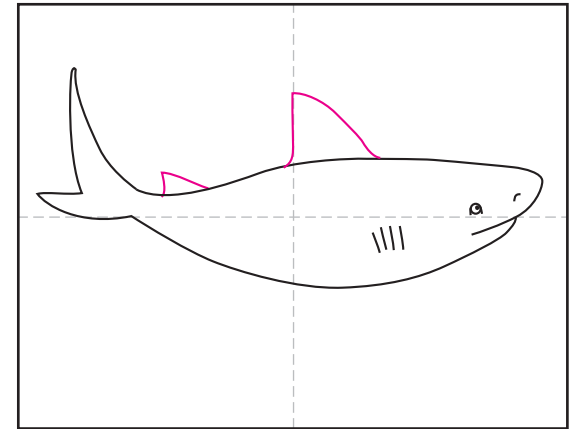

3. Continue the body towards the tail.

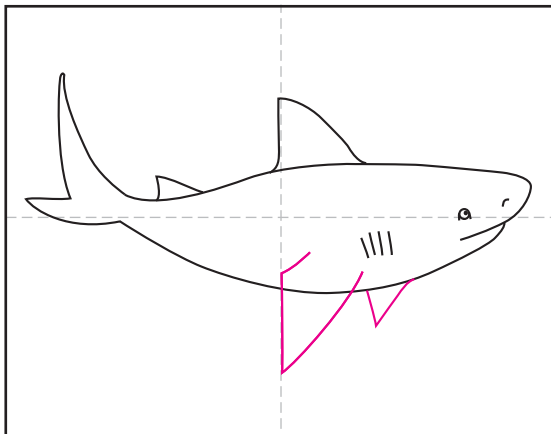

4. Add a tail.

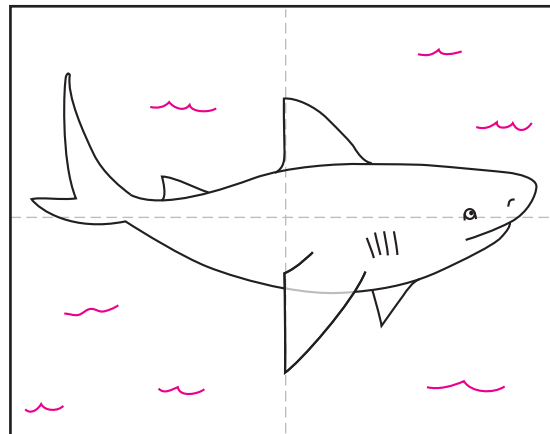

5. Draw the eye, nose and gills.

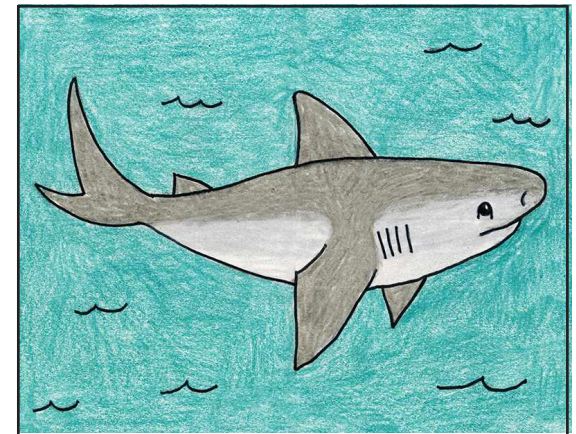

6. Add the two dorsal fins on top.

7. Add the pectoral fins below.

8. Erase inside fin. Draw waves in the water.

9. Trace with a marker and color.
