

# Draw a Bear

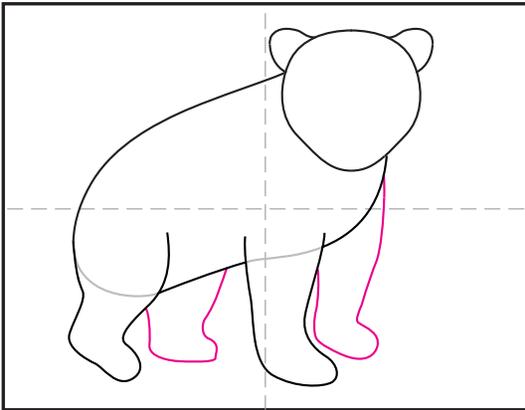

1. Scan to see my step-by-step Bear YouTube video.

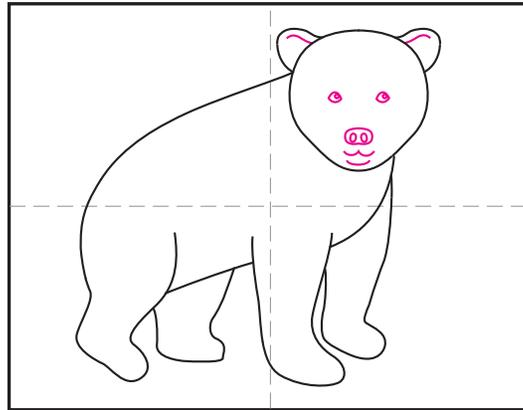

2. Draw the head, two ears and torso shape.

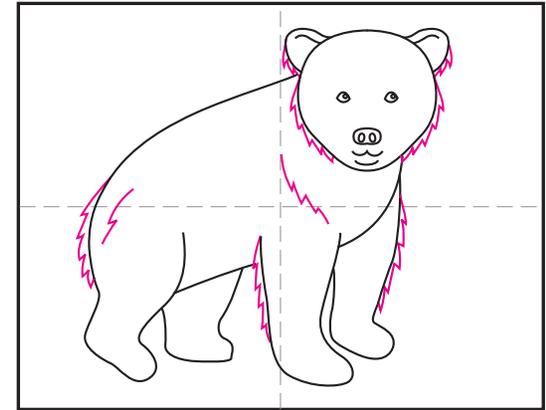

3. Draw an overlapping front and back leg.

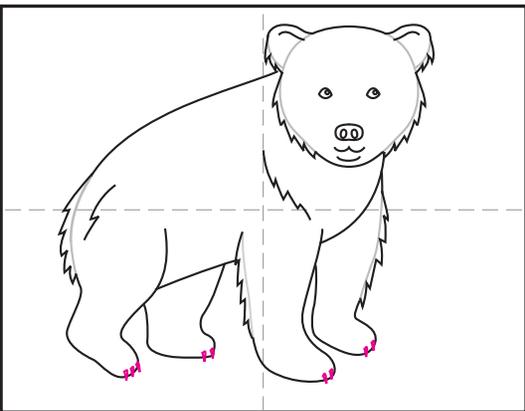

4. Erase the gray line and add two other legs.

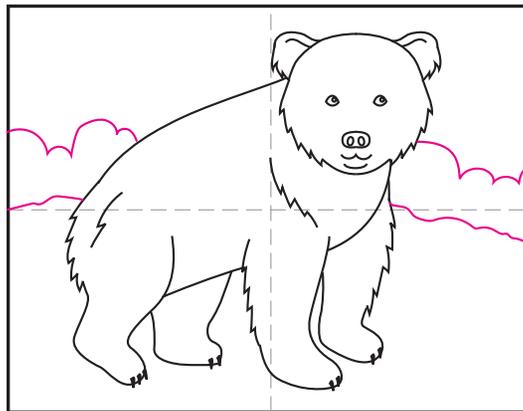

5. Draw the face and ear detail.

6. Add some fuzzy fur lines around the body.

7. Erase the gray lines and add claws.

8. Draw landscaping in the background.

9. Trace with a marker and color.
