

Draw a Winter Landscape

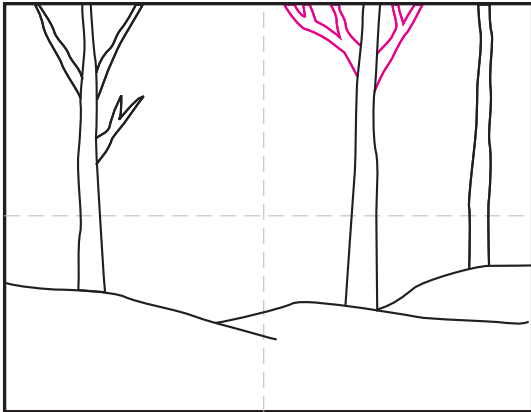

1. Scan to see this in a YouTube video.

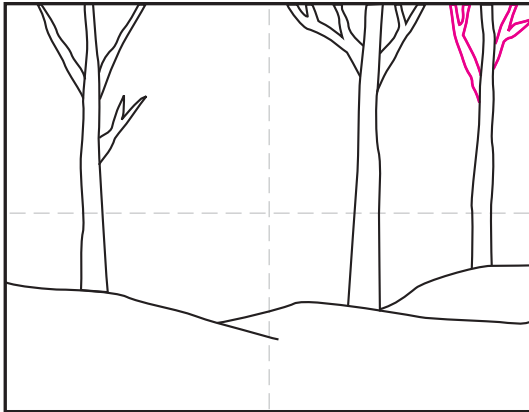

2. Draw the snow banks and 3 tree trunks.

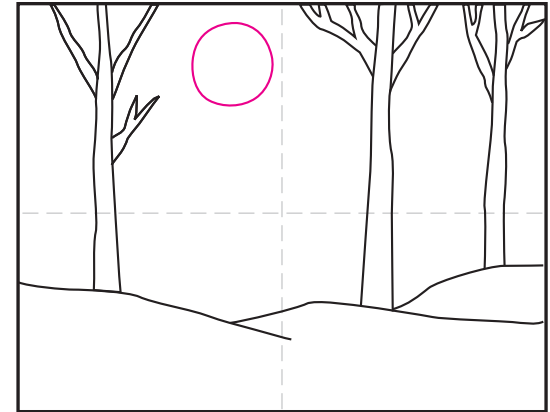

3. Add branches to the left tree.

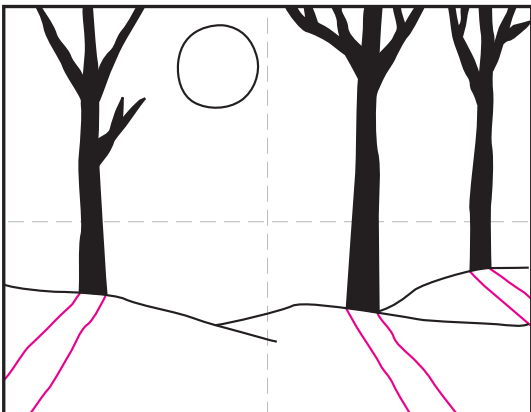

4. Add branches to the middle tree.

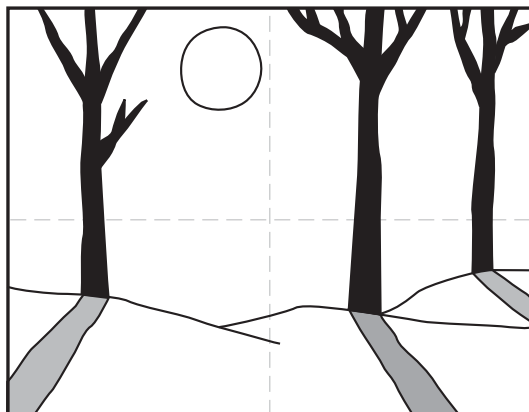

5. Add branches to the right tree.

6. Draw a moon.

7. Draw shadows that point to the moon.

8. Color the trees black and shadows gray.

9. Color the sky, leaving spots for snow.
