

# How to Draw a Diwali Lamp

1. Start the hand with a gentle curve.

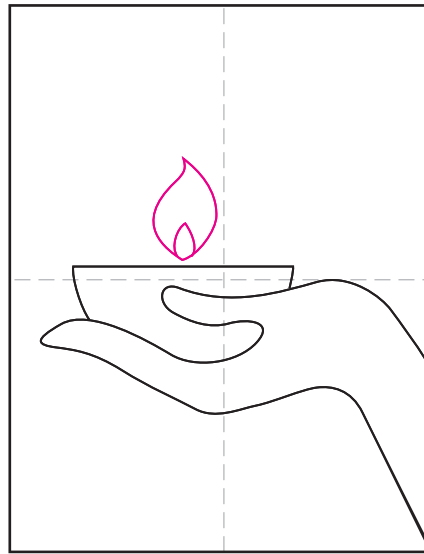

2. Add the thumb and start the finger.

3. Finish the finger and the wrist.

4. Draw the lamp behind the hand.

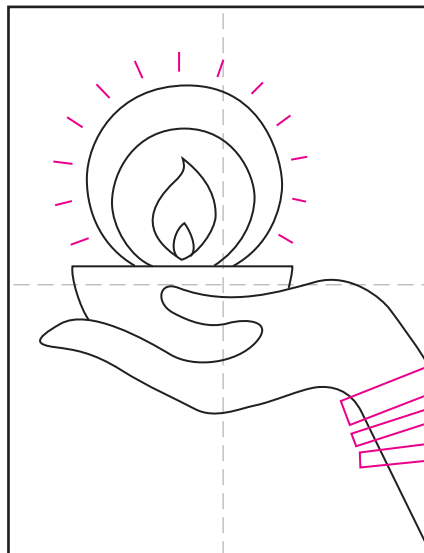

5. Add a flame above.

6. Draw a ring around the flame.

7. Add another ring.

8. Finish with radial lines and bracelets.

9. Trace with a marker and color.
