

Draw like Nate Williams

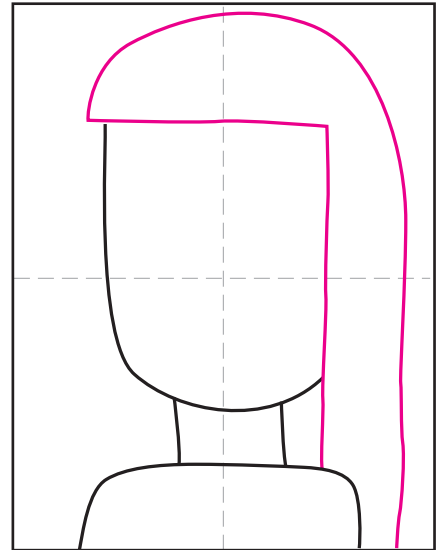

Draw like Nate Williams

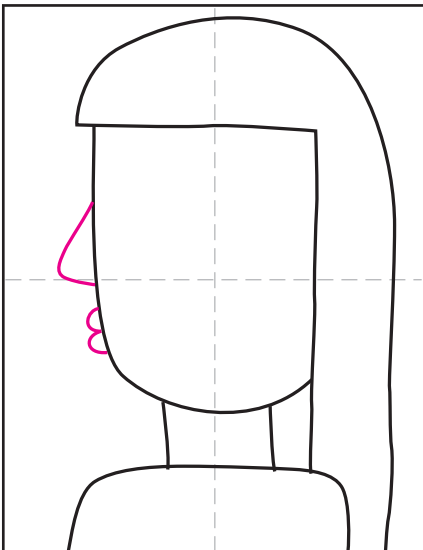

1. Scan to see a YouTube video.

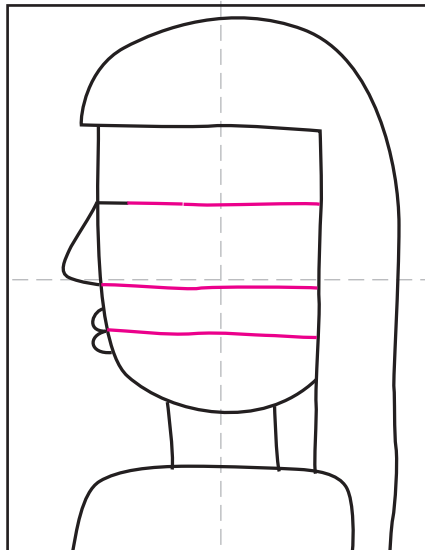

2. Draw the head, neck and shoulders.

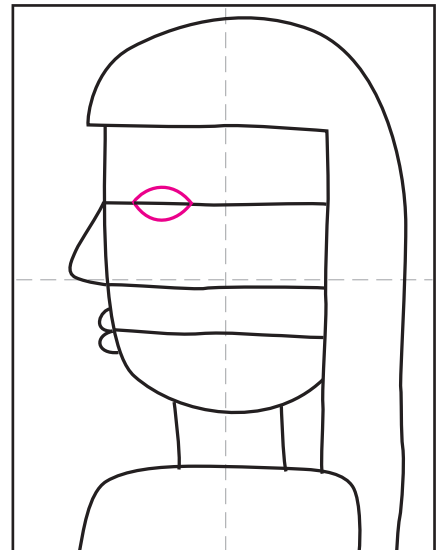

3. Draw the hair, it can be any length.

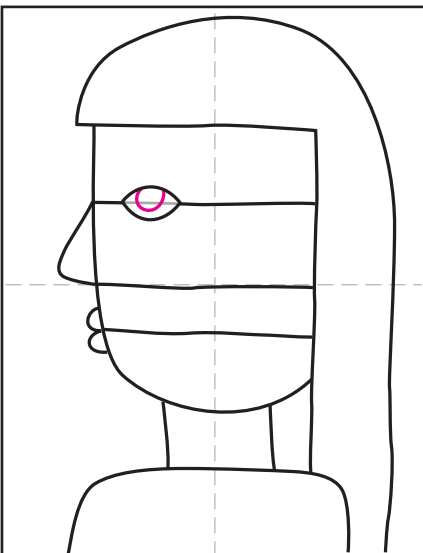

4. Add the nose and lips.

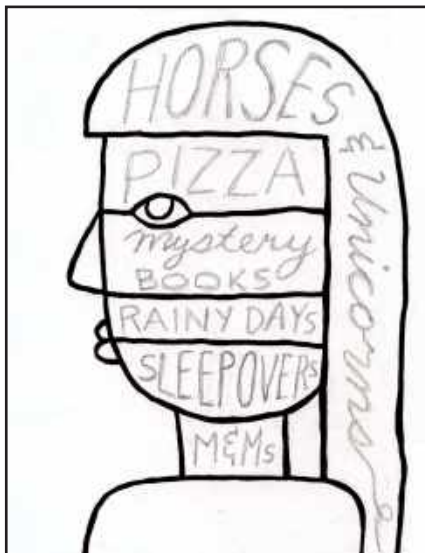

5. Divide the face into sections by drawing three lines as shown.

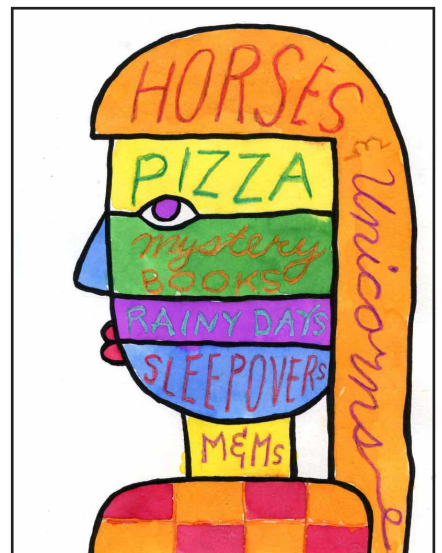

6. Draw an eye on the top line.

7. Erase the line inside, and add a circle.

8. Trace the lines with a permanent black marker. Fill spaces with words, planned in pencil first.

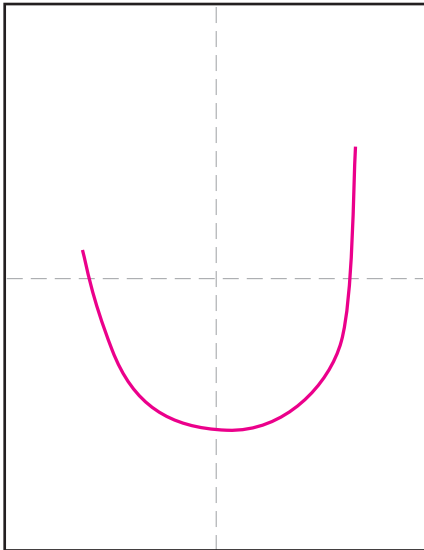

9. Trace the words with crayons, 2 times. Paint all the sections with watercolors.
