

How to Draw a Soccer Ball

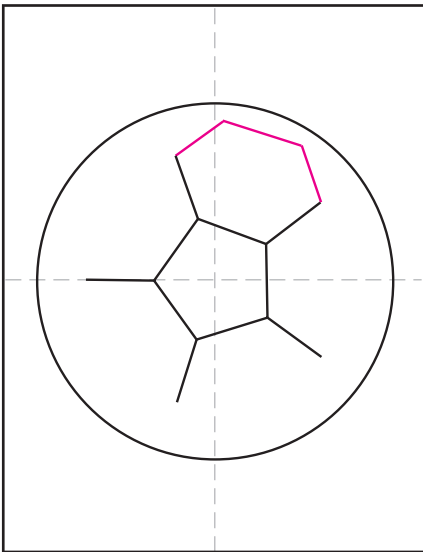

1. Draw (or trace!) a circle.

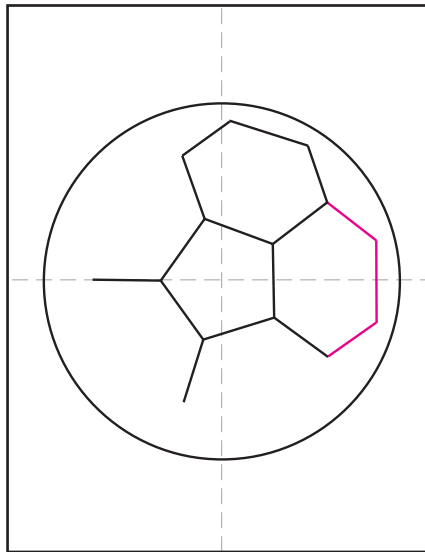

2. Draw a tilted pentagon in the center.

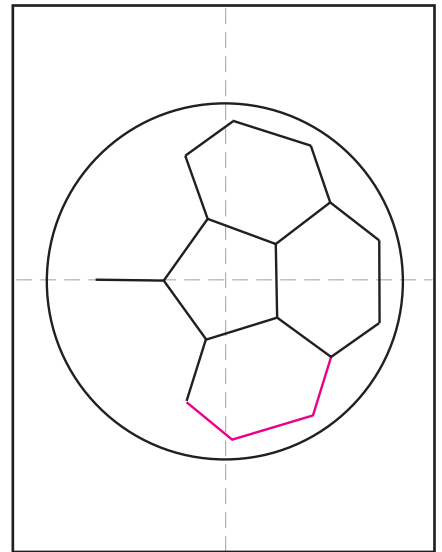

3. Add extending lines from each point.

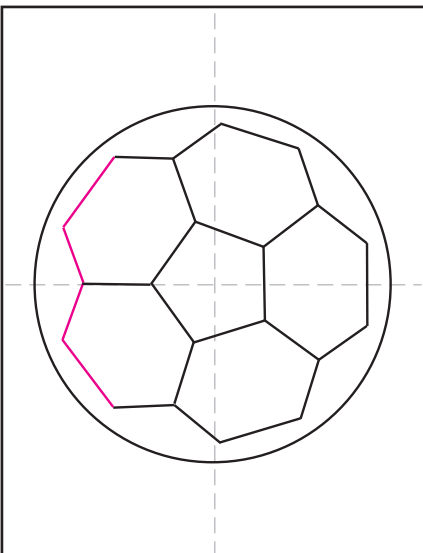

4. Finish one pentagon as shown.

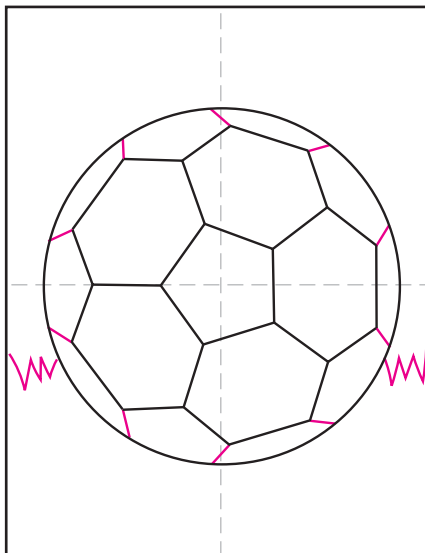

5. Finish the next shape.

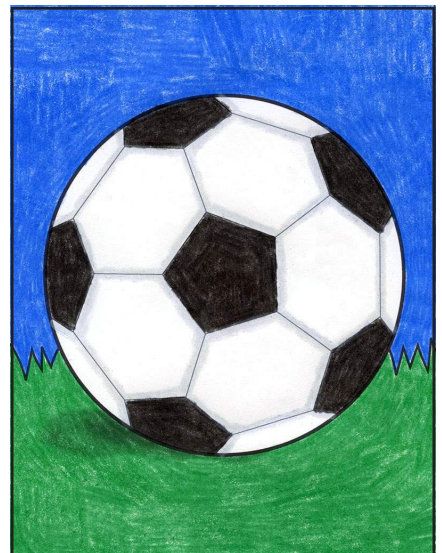

6. Finish the next shape.

7. Finish the the last two shapes.

8. Draw the final lines from each point.

9. Trace with a marker and color.
