

Draw a Chinese Lantern

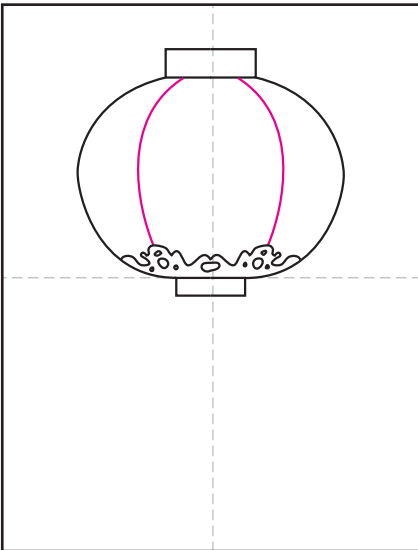

1. Draw two rectangles as shown.

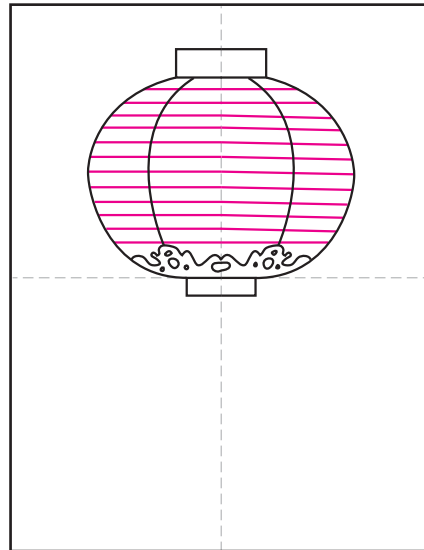

2. Add the sides to make a globe.

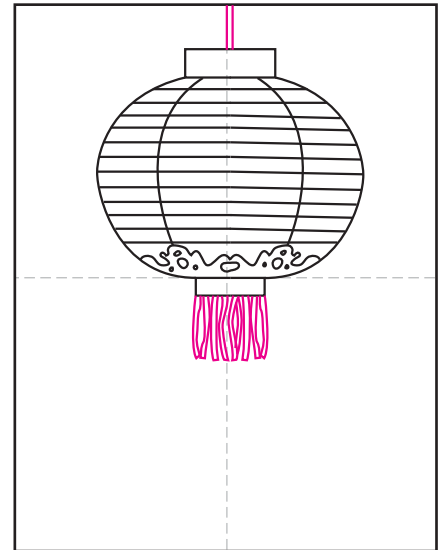

3. Draw the pattern shown.

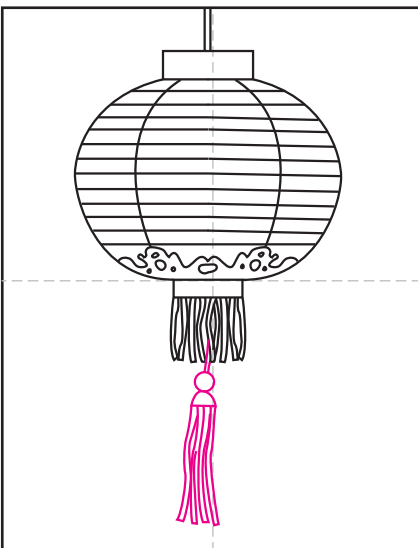

4. Add two curved lines.

5. Draw about 12 horizontal lines.

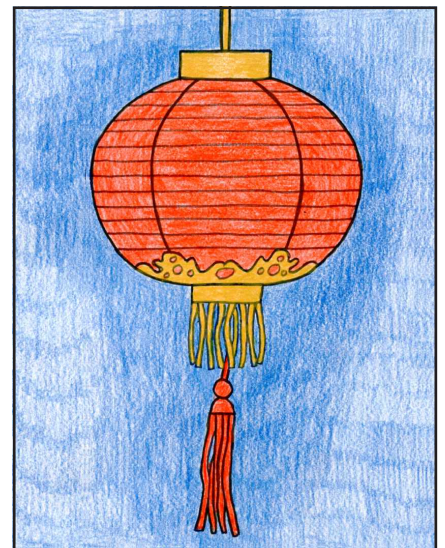

6. Add the top lines and the fringe on the bottom.

7. Add another tassel below.

8. Trace with a marker and color.

9. Add a darker shadow if you want.
