

How to Draw a Football Helmet

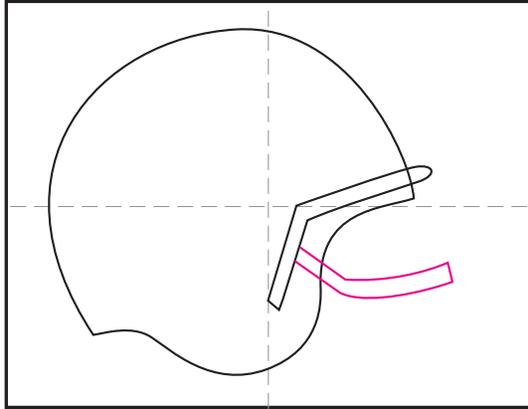

1. Start with a large C shape.

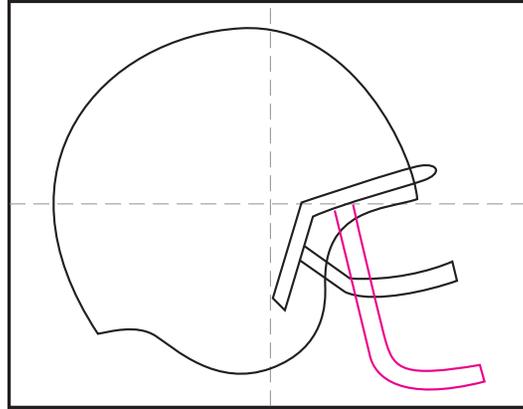

2. Connect the ends with a curved shape like this.

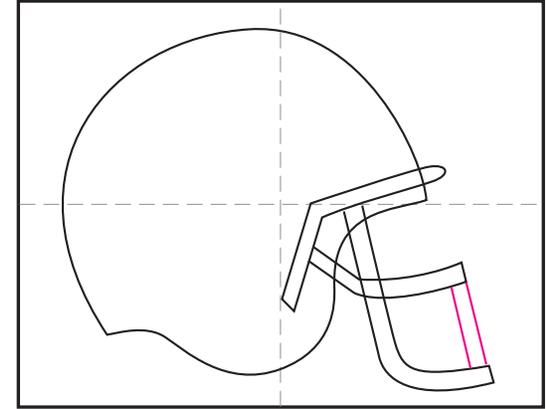

3. Start the face mask with a bent line shape.

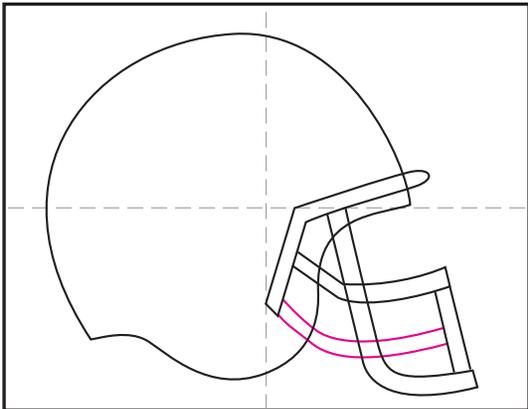

4. Add a bent line shape underneath it like this.

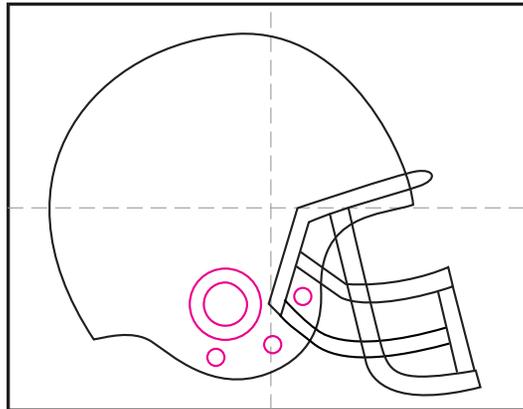

5. Then add a backwards J shape.

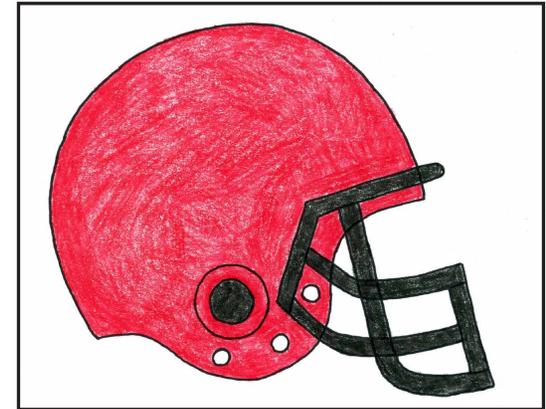

6. Connect the ends of two shapes with a line.

7. Finish with a curved shape like this.

8. Add a ring and some small circles

9. Trace with a marker and color.
