

# Draw an Ostrich

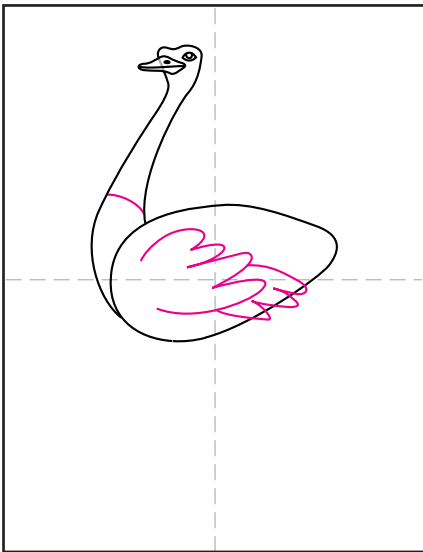

1. Start body with pointy egg shape.

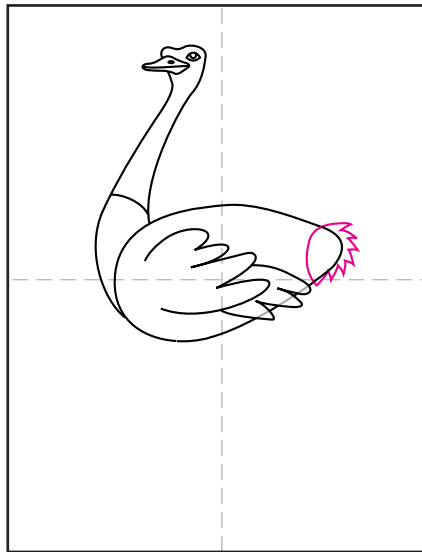

2. Add the curved neck and a head with a dent on top.

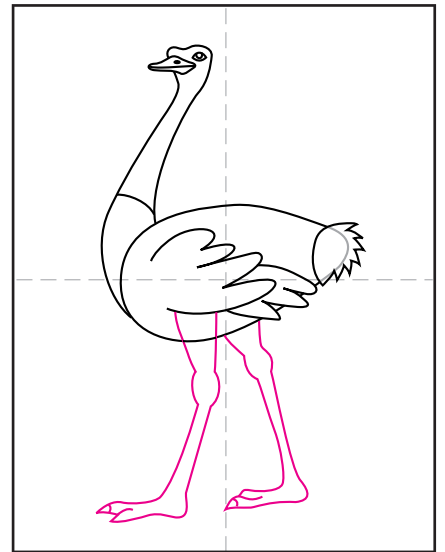

3. Draw the beak and eye on the head.

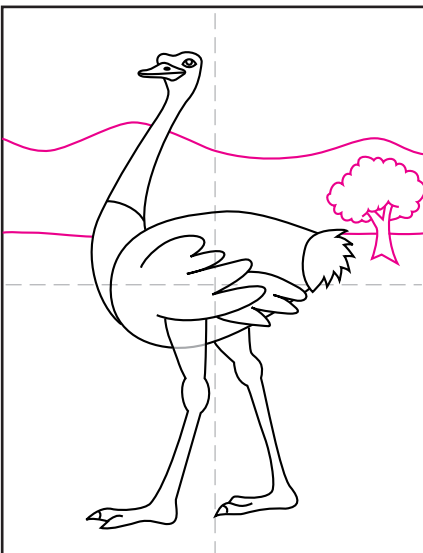

4. Add two large wing shapes.

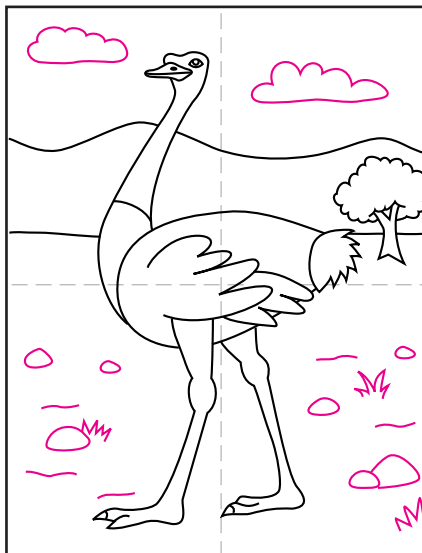

5. Add a feather tuft on the rear end.

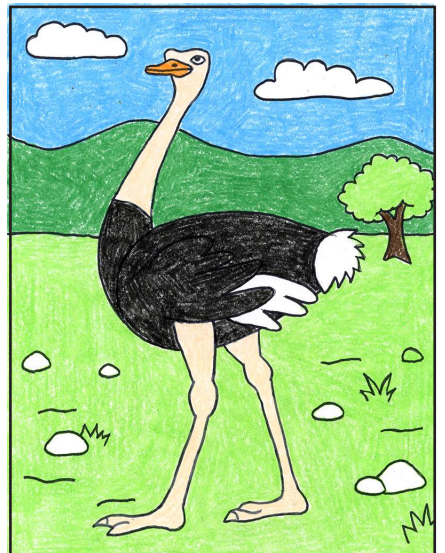

6. Draw two long legs with point toes.

7. Add horizon lines and a tree.

8. Draw stones, grass and clouds in sky.

9. Trace with a marker and color.

# Ostrich
