

Draw a Beetle

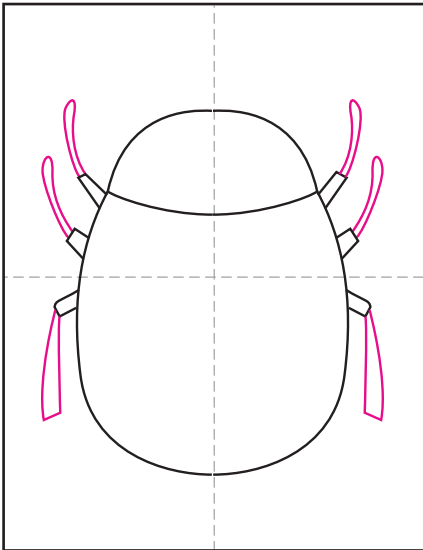

1. Draw the thorax as shown.

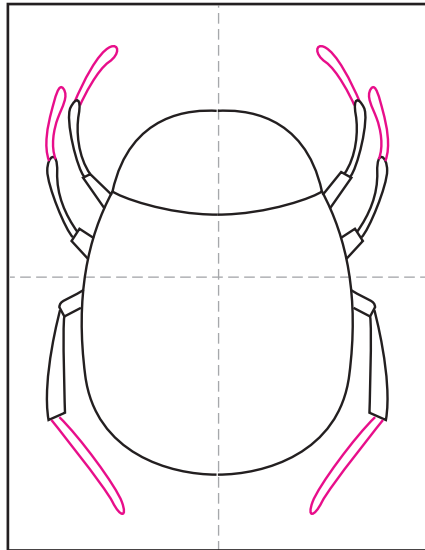

2. Add abdomen below.

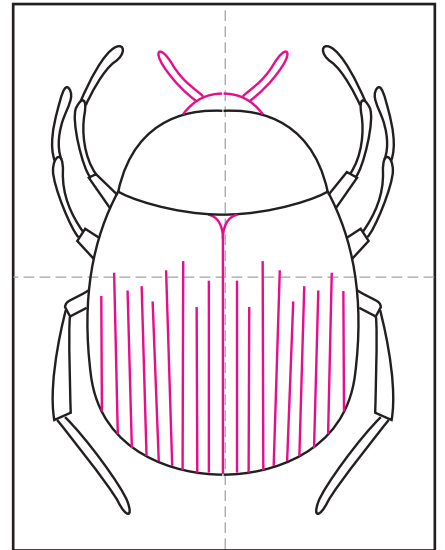

3. Start six legs.

4. Add middle sections of all legs.

5. Add the ends of all legs.

6. Add head, antennae and details.

7. Trace with a blue crayon. Paint the entire beetle black.

8. Add more black for shadow.

9. Paint the background with a watery contrasting color.

Beetle
