

# Draw a Line Art Turkey

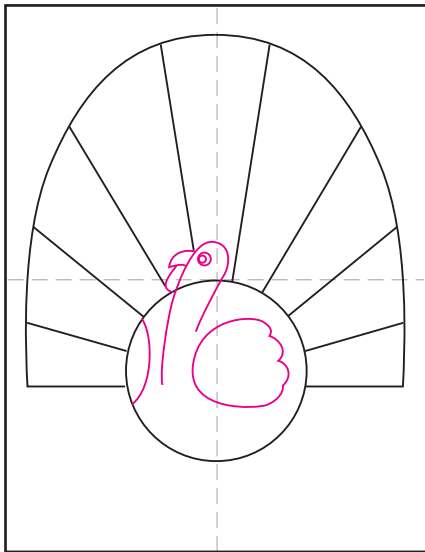

1. Draw a large circle.

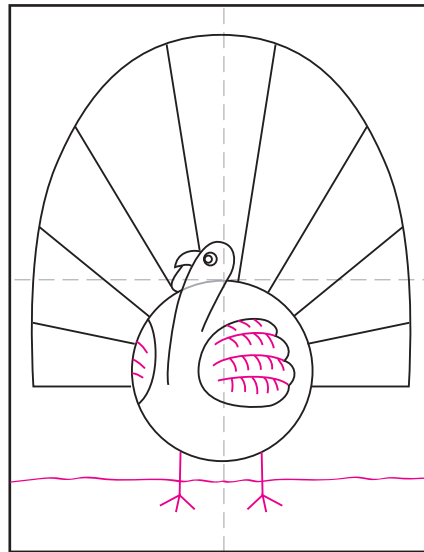

2. Add a tall fan shape around it.

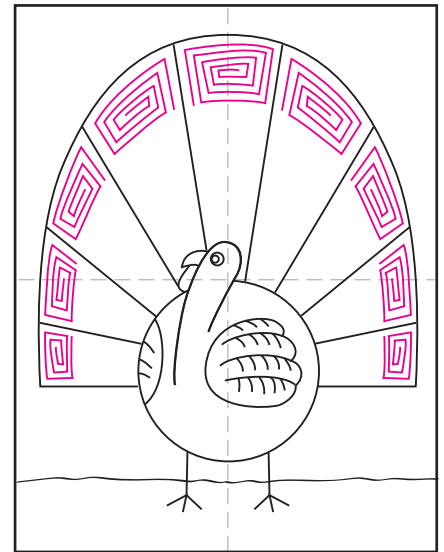

3. Draw 8 radial lines for feathers.

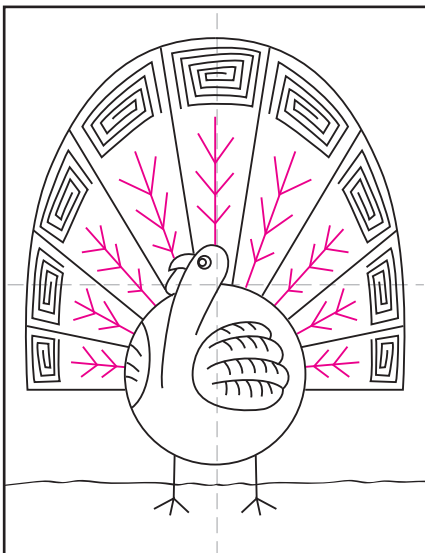

4. Add the head shape and wings.

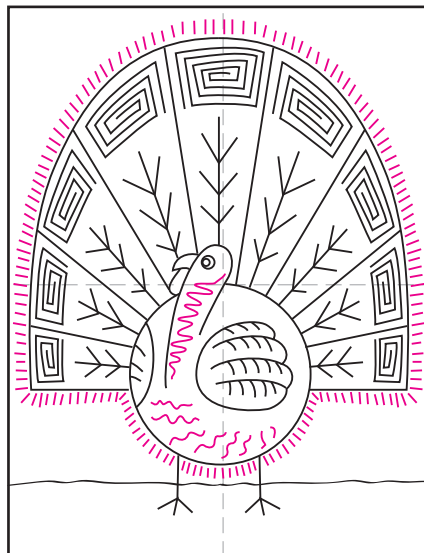

5. Erase gray line, add details and legs.

6. Draw an end design inside each feather.

7. Finish feathers with lines and V shapes.

8. Add texture lines inside, and small radial lines all around the outside.

9. For extra fun, try filling in the background with lots of dots.
