

Pumpkins

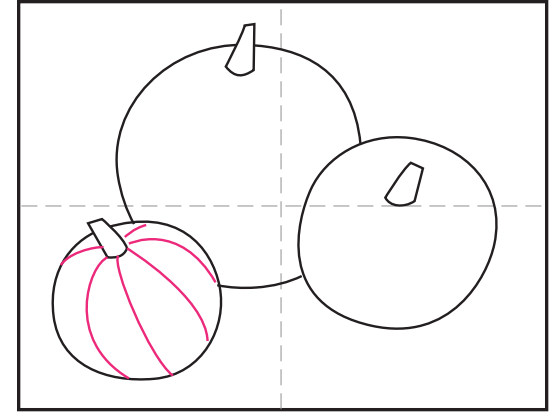

How to Draw Pumpkins

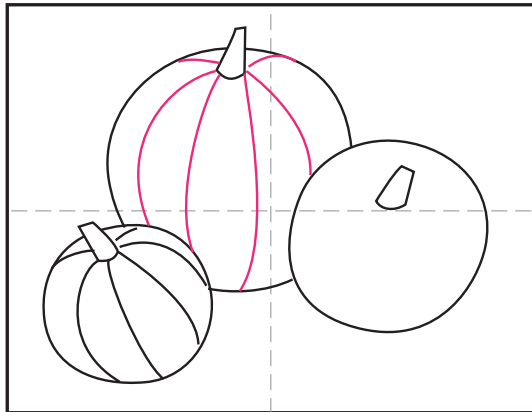

1. Lightly draw three overlapping circles.

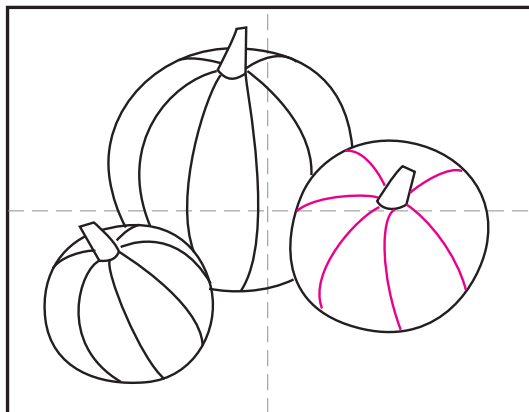

2. Erase the inside and add stems.

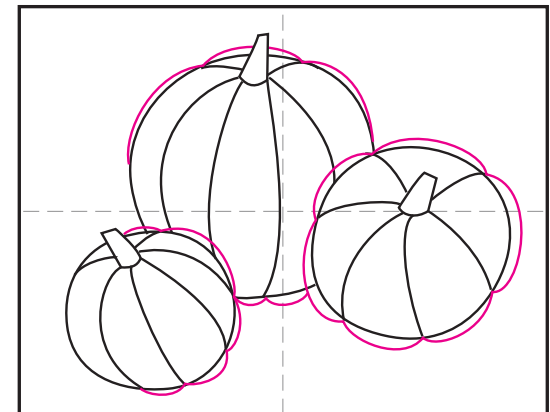

3. Draw lines radiating from one stem.

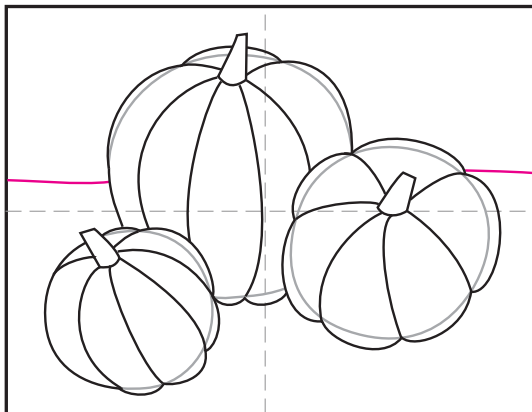

4. Repeat on the center pumpkin.

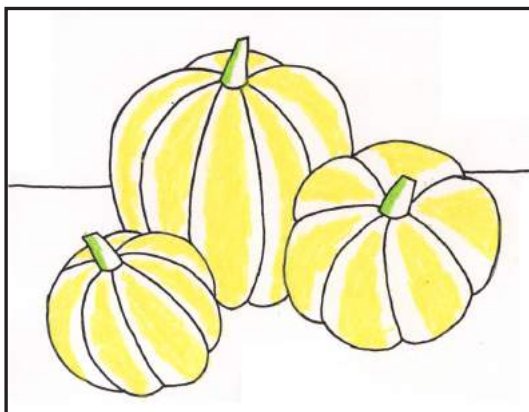

5. Repeat on the third pumpkin.

6. Add slight curves to each section.

7. Erase inside gray lines. Add a horizon.

8. Color inside sections a golden yellow.

9. Fill with orange, then add grass and sky.
