

How to Draw Thing One and Thing Two

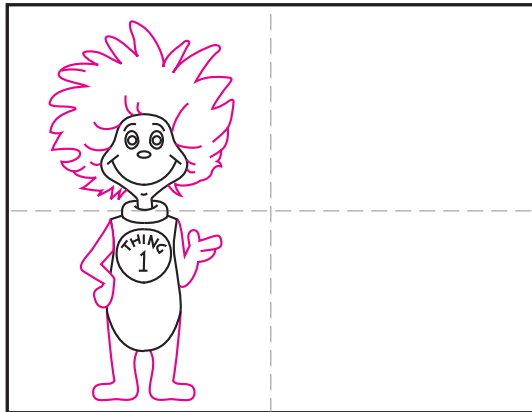

1. Start Thing One with the head shape.

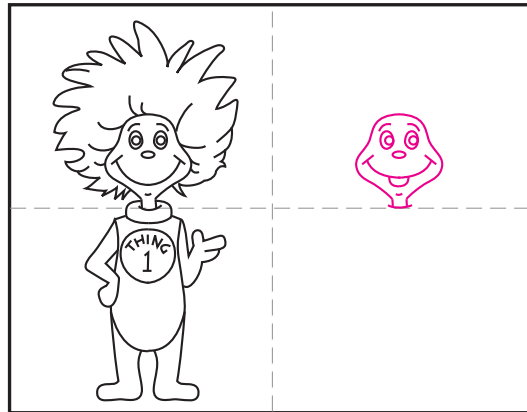

2. Add the eyes, nose and mouth inside.

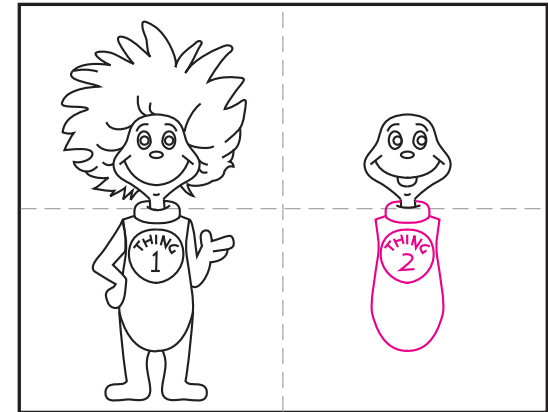

3. Draw the collar and body shape below.

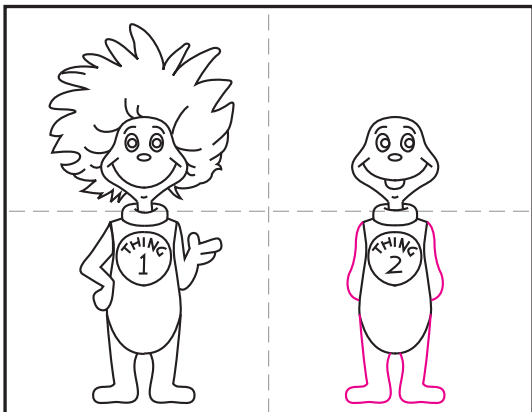

4. Add the arms, legs and wild head of hair.

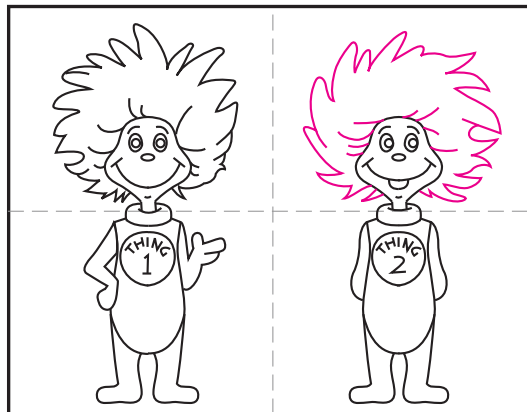

5. Start Thing Two with the same head. You can make the eyes and mouth a little different.

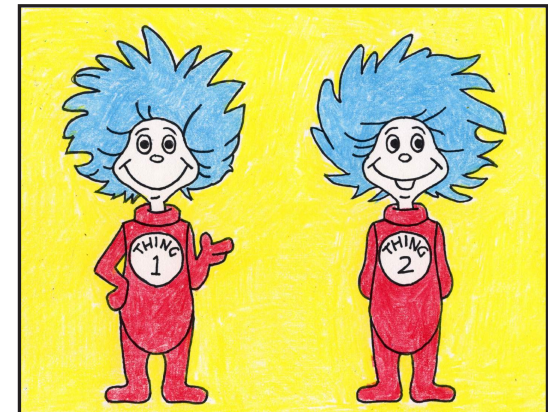

6. Add the collar and body shape below. Be sure to add the round sign and name on both figures.

7. Draw two arms and the two legs.

8. Finish with a wild head of hair.

9. Trace with a marker and color.

Thing One and Thing Two
