

Draw a Groundhog

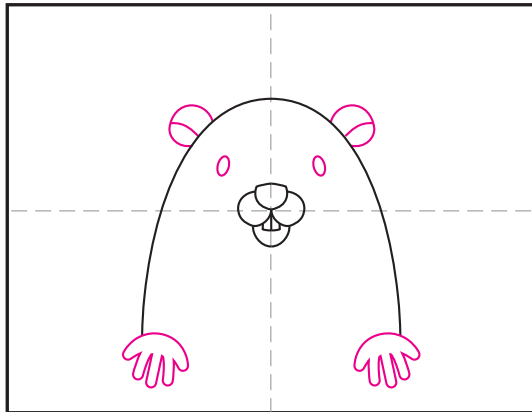

1. Start with the nose. Add two cheek shapes.

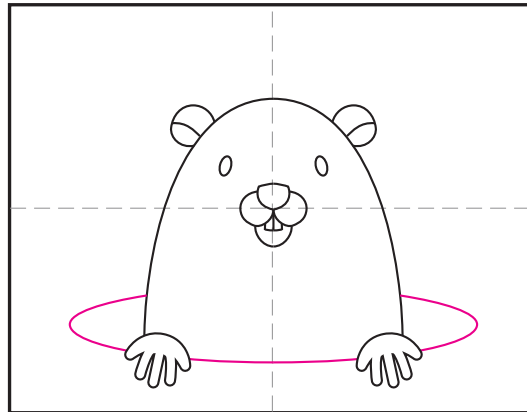

2. Draw the chin underneath and add two teeth.

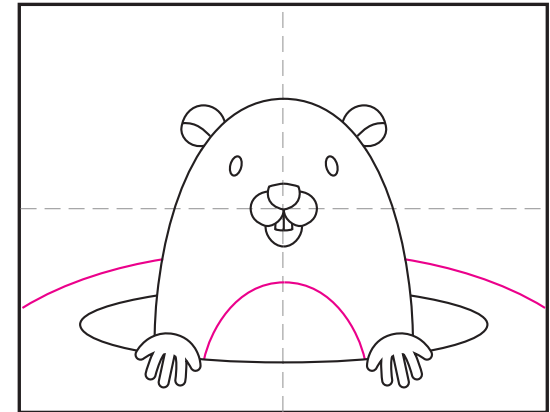

3. Draw a large upside down U shape.

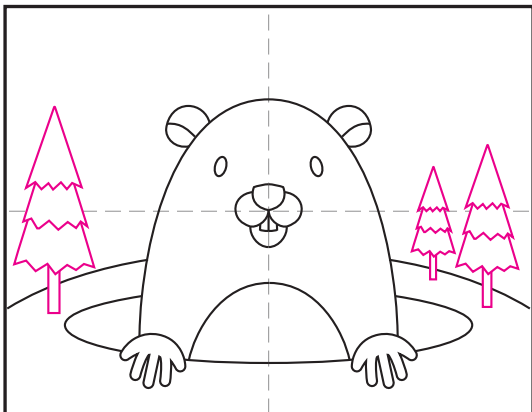

4. Add two hands at the ends, and eyes and ears.

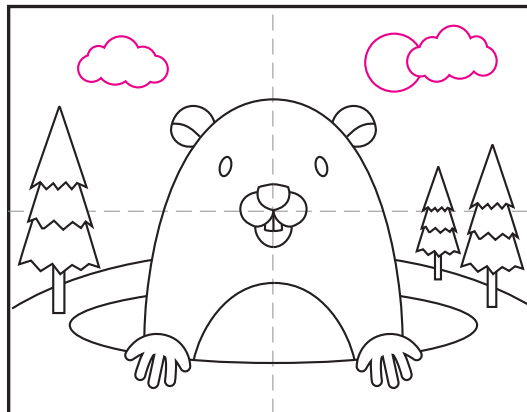

5. Draw an oval around the groundhog body.

6. Add a belly line and a hill in the background.

7. Draw some trees on the hill.

8. Add a sun and clouds in the sky.

9. Trace with a marker and color.

Groundhog
