

Draw Like Georgia O'Keeffe

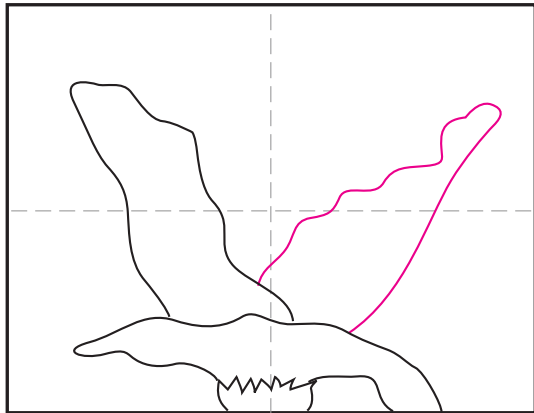

1. Draw a cup shape for the base of the flower.

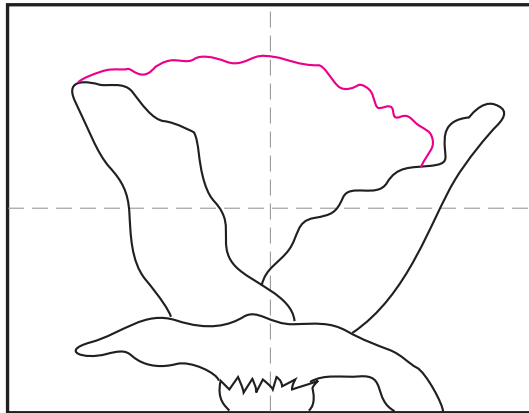

2. Add a small petal, make it droop on the right.

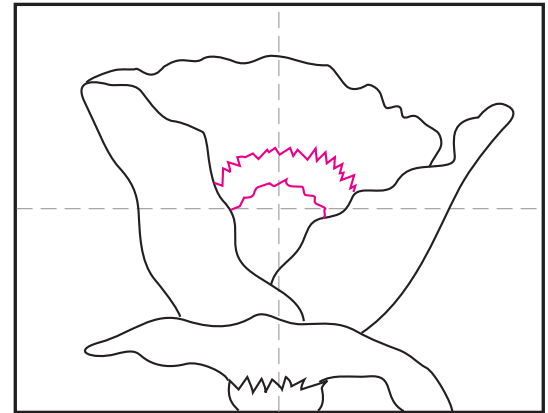

3. Draw a petal on the left that is standing up.

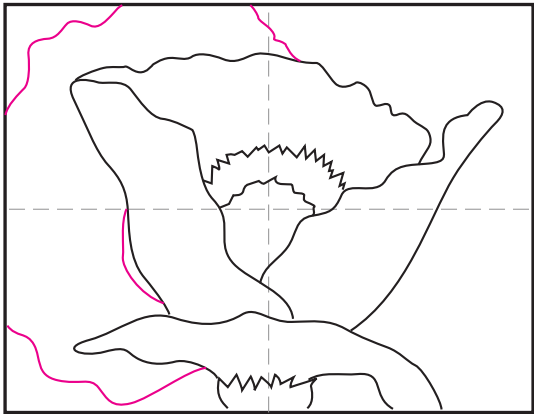

4. Add a petal on the right, to kind of balance out the left one. Note the smooth and bumpy sides.

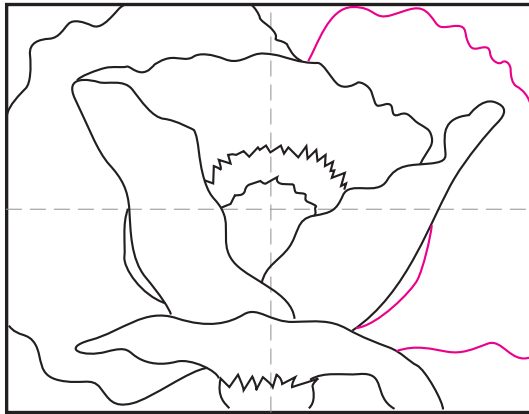

5. Draw another petal that is sitting in the middle.

6. Add a bumpy and zig zag line for the center.

7. Draw final petal on the left, going off the page.

8. Add a petal on the right, also going off the page. Include lines for the dark center color.

9. Trace with a marker and color, preferably with oil pastels or whatever makes the brightest red.
