1. Print page 2 on cream card stock paper. Connect the outer dots with straight lines.

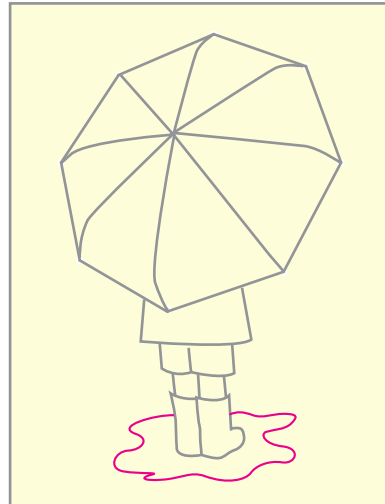

2. Start drawing the umbrella sections with a diagonal line as shown.

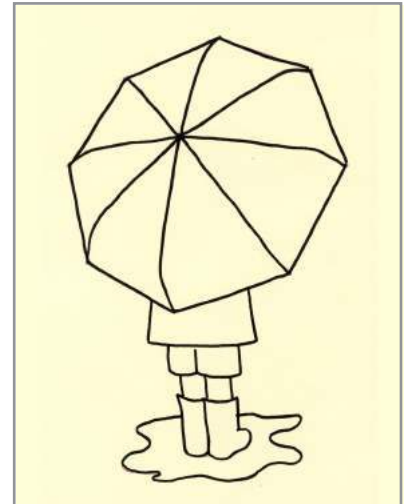

3. Continue drawing lines as shown. Note that the ends curve a bit.

4. Draw a body and boots below.

5. Add a puddle around the boots.

6. Trace the art with a black marker.

7. Use thin colored markers to fill the umbrella sections and puddle with lots of patterns.

8. Use thicker markers to fill in the background of each shape.

9. Carefully cut out the umbrella art and glue it to a black card stock. Add rain with a blue metallic marker.
