# Make a Tall Craft Stick Easel

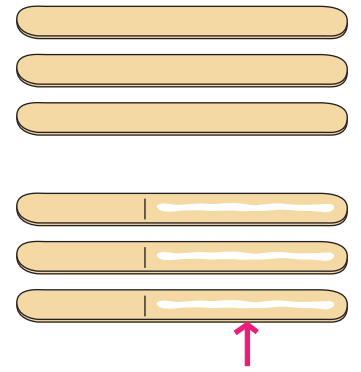

Supplies: One mini craft stick, nine regular craft sticks, sturdy scissors, craft glue, ruler

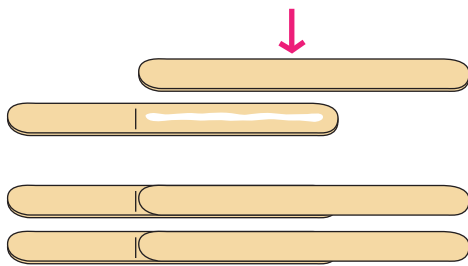

1. Draw an oval.

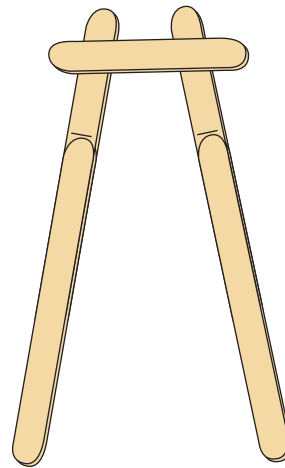

Step 1. Make pencil lines at 1.75" on three regular sticks.

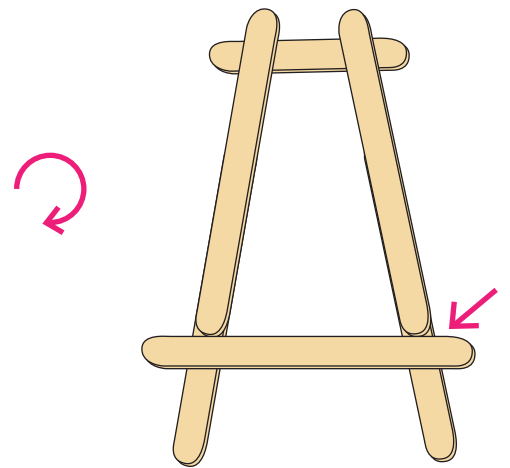

Step 2. Add a line of craft glue on the long side.

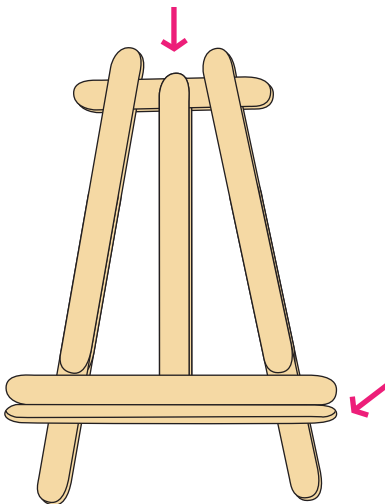

Step 3. Place three sticks on top of the ones with glue. Let dry for about 5 minutes.

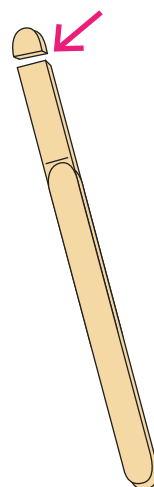

Step 4. Glue two of these long legs to a mini craft stick as shown. Let dry.

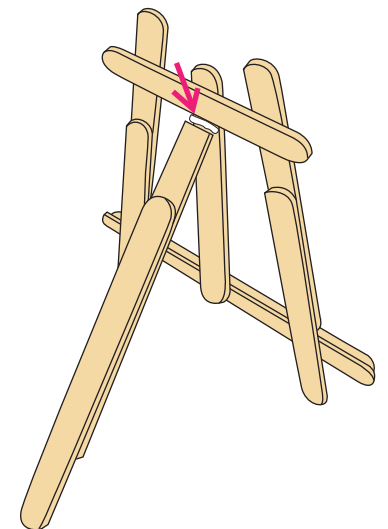

Step 5. Turn over and glue a stick to the front as shown.

Step 6. Glue the side of a stick below as shown. Also glue one in the center as shown.

Step 7. Cut the end off of one of the long sticks

Step 8. Add glue to the flat end, brace the front, let dry.
