

How to Draw Garfield

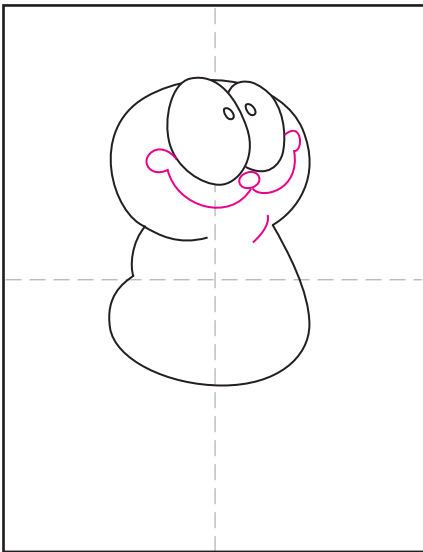

1. Start with a body shape like this.

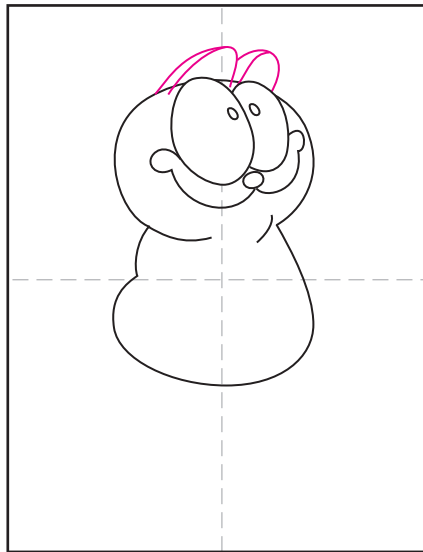

2. Add most of a circle for the head.

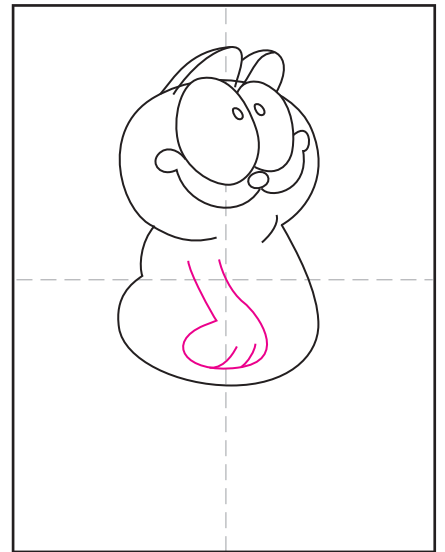

3. Draw two oval eyes with dots.

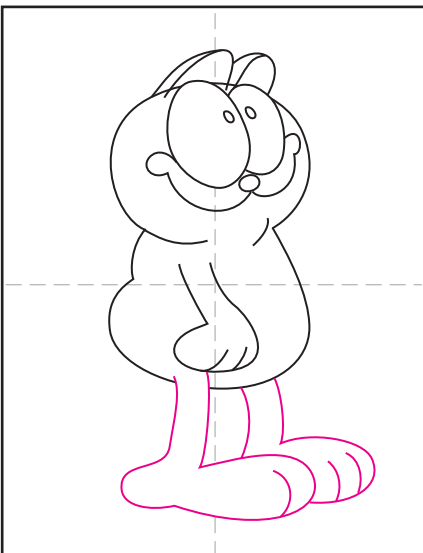

4. Add the nose and moustache shape.

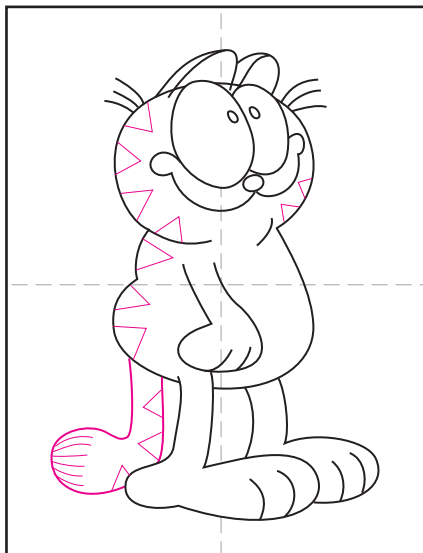

5. Draw two ears above the eyes.

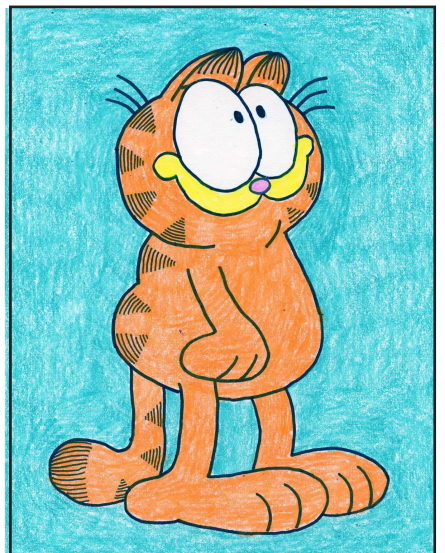

6. Add the arm that is hanging down.

7. Draw two cartoon legs.

8. Add the tail. Lightly draw the triangle shapes.

9. Fill triangles with thin black lines, trace the rest with a medium marker and color.
