

How to Draw Sunglasses

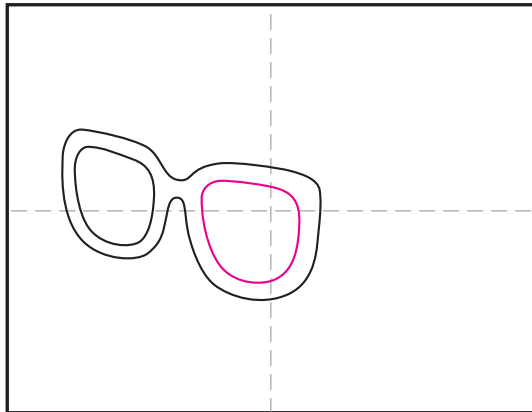

1. Start the left side of the frame.

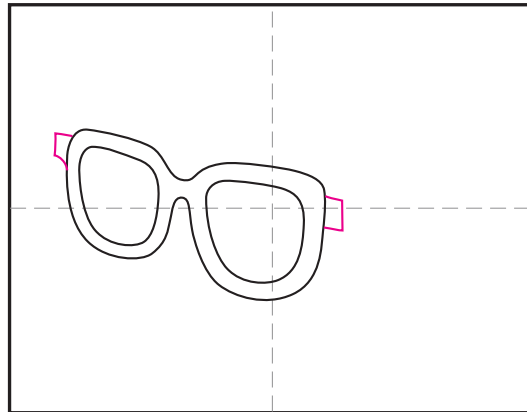

2. Add the right side, which is a bit larger.

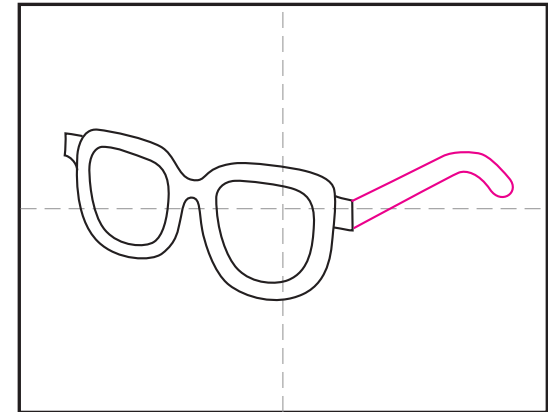

3. Draw a smaller lens shape on the left.

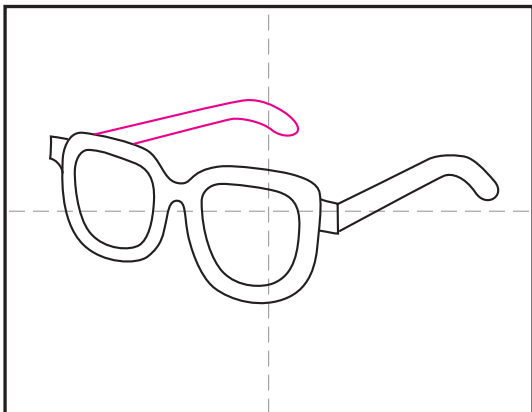

4. Add a lens inside the right side.

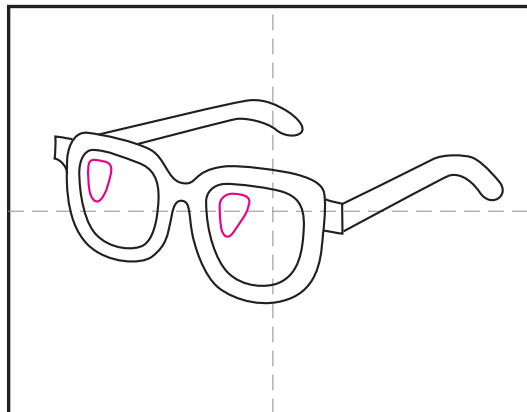

5. Draw two tabs on the sides.

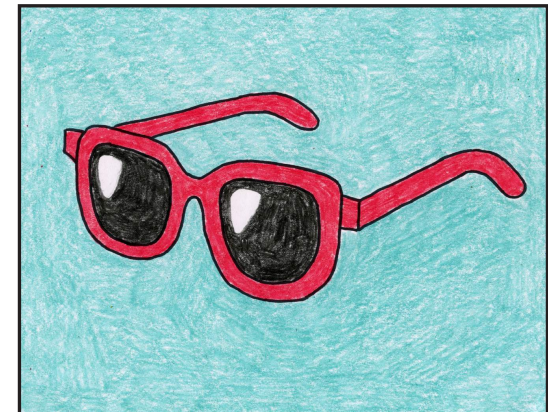

6. Add an arm on the right side.

7. Draw an arm on the left side.

8. Draw two shapes for the reflection.

9. Trace with a marker and color.
