

How to Draw a Beach Ball

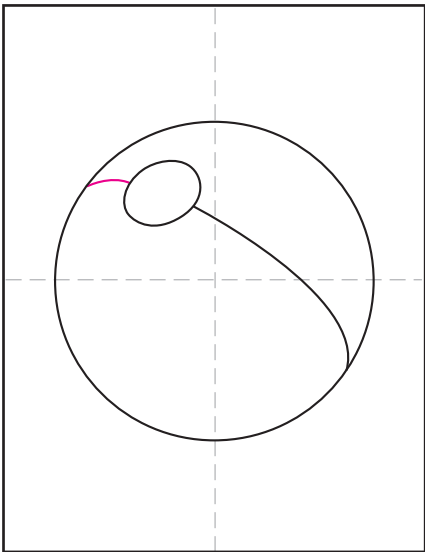

1. Draw a large circle.

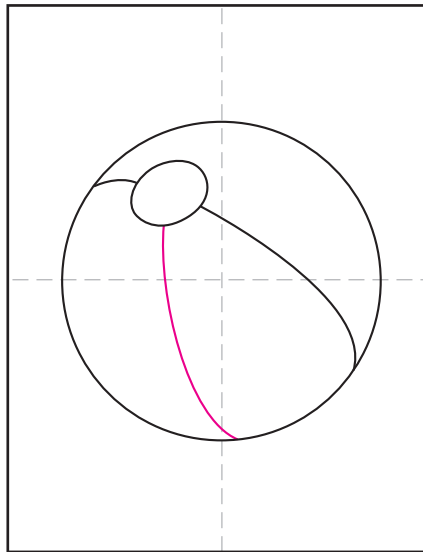

2. Add a small circle for the center.

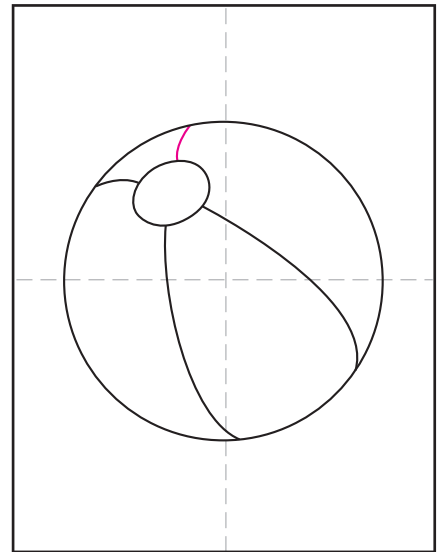

3. Draw a curved line.

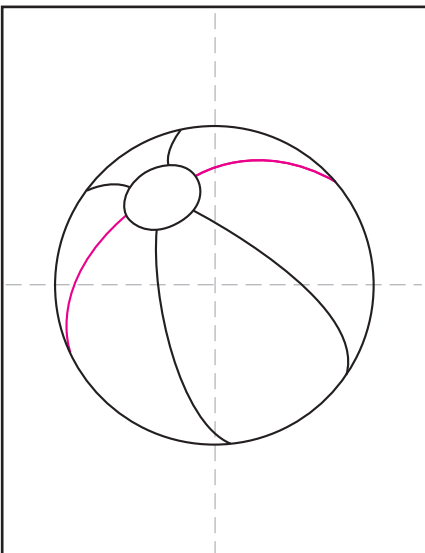

4. Make the line look like it's continuing to the left.

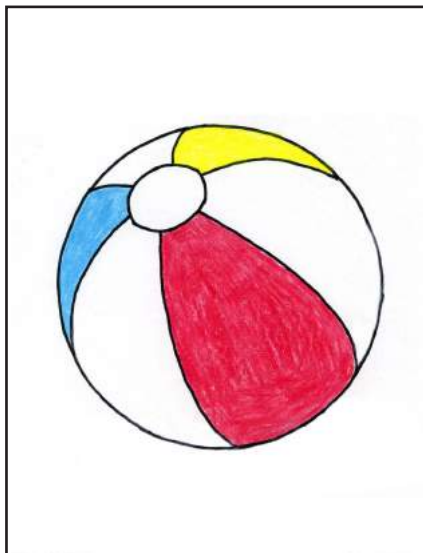

5. Draw another curved line.

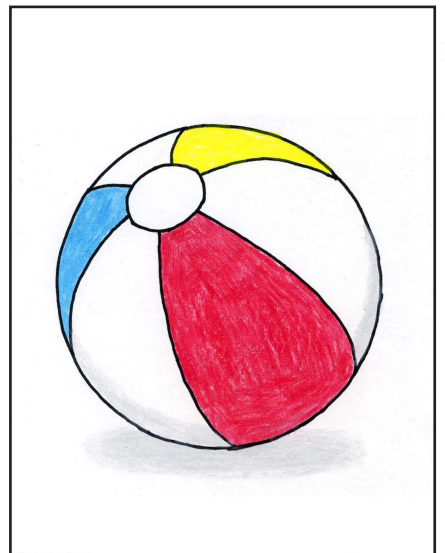

6. Make the line look like it's continuing up and above.

7. Finish with the last two curves. Draw them so they look to be continuing too.

8. Trace with a marker and color.

9. Use a light gray crayon to add shadows.
