

Draw Van Gogh Self Portrait

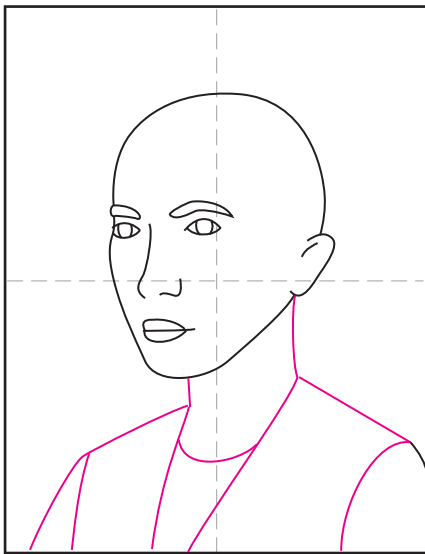

1. Draw the head shape and eyes.

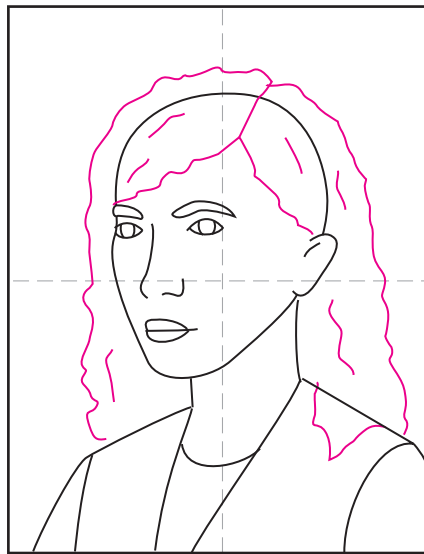

2. Add the eye brows and nose.

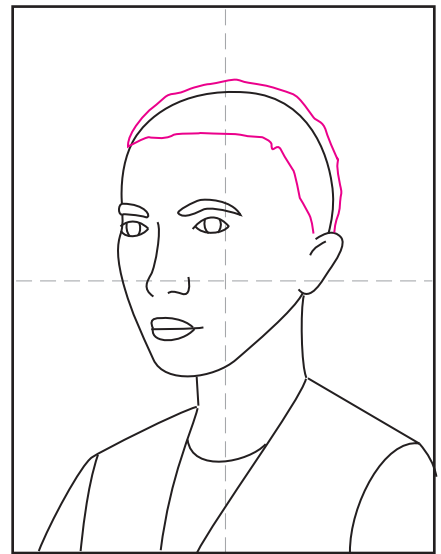

3. Draw the mouth and an ear.

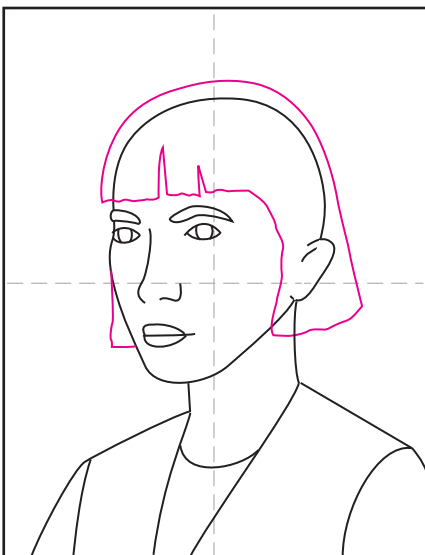

4. Add the neck and shoulders.

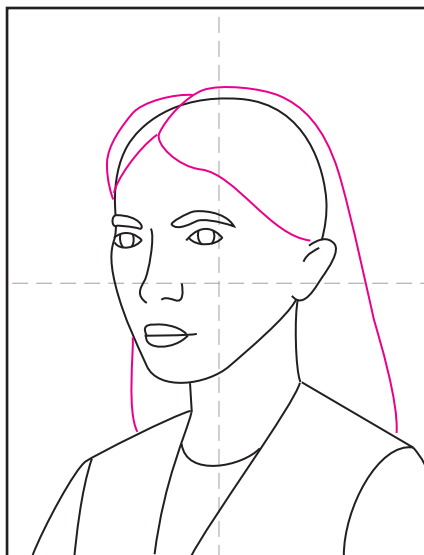

5. Example of long and curly hair

6. Short and close cut hair

7. Medium length straight hair

8. Long straight hair

9. Trace with a marker and color. Make the shirt and background similar so the face stands out.
