

# How to Draw an Ear

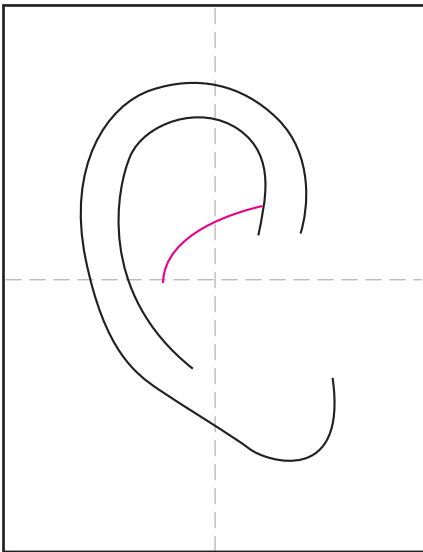

1. Start the top curve of the ear.

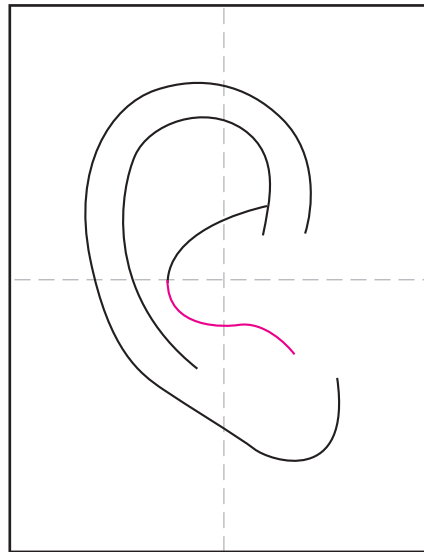

2. Continue with the bottom shape.

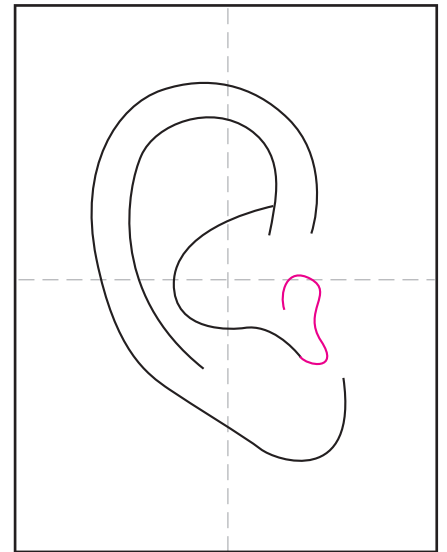

3. Draw the inside curve as shown.

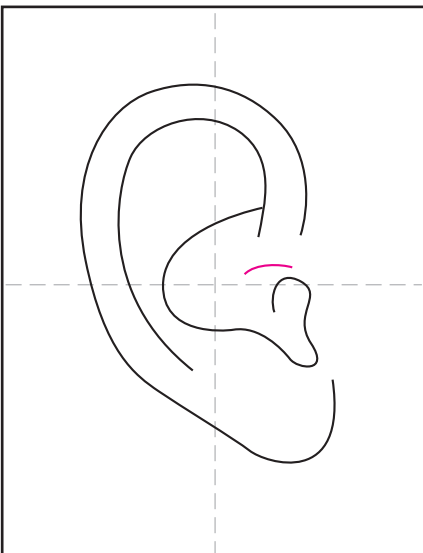

4. Start another curve line.

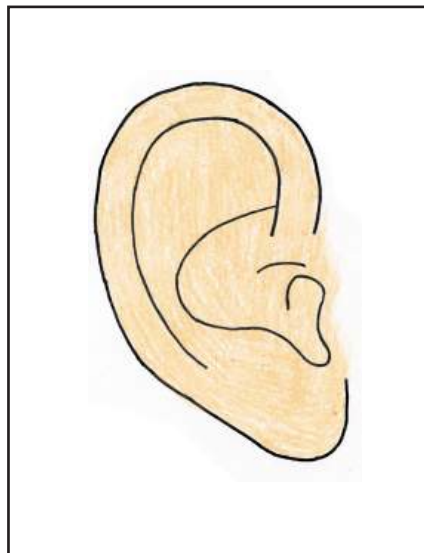

5. Continue the line down.

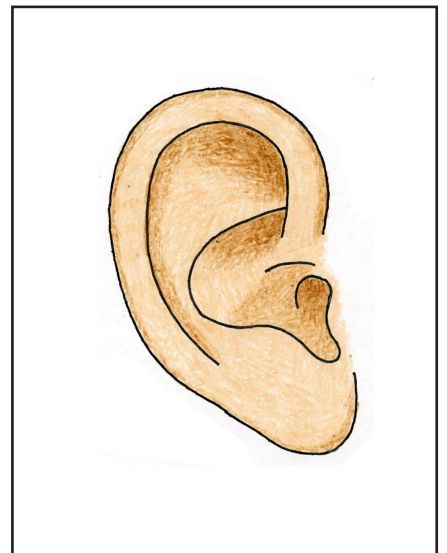

6. And finish with small curvy shape.

7. Draw one more edge line.

8. Color the ear with skin color.

9. Get darker skin color and add shadows.
