

How to Draw the Wild Robot

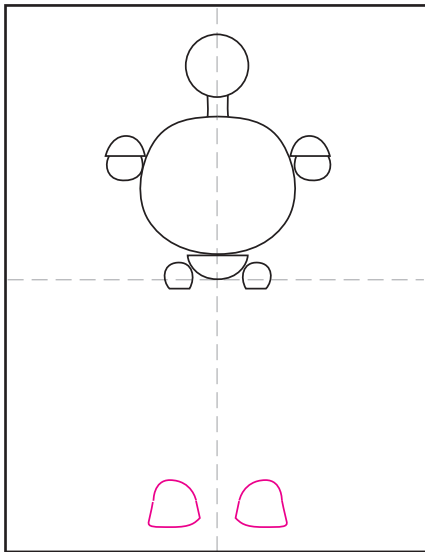

1. Draw a circle body and head.

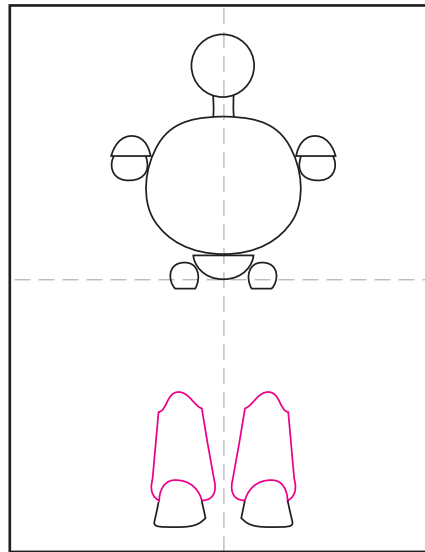

2. Add half circles as shown.

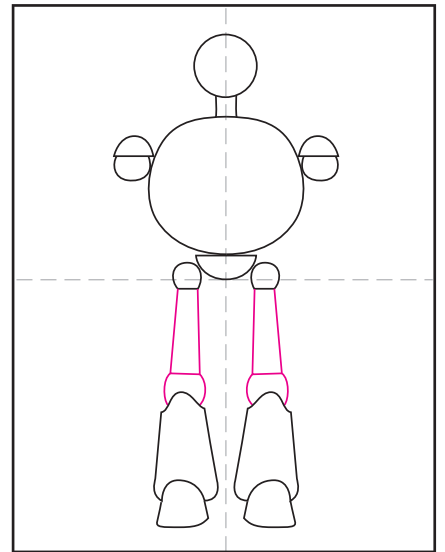

3. Add the round shapes attached.

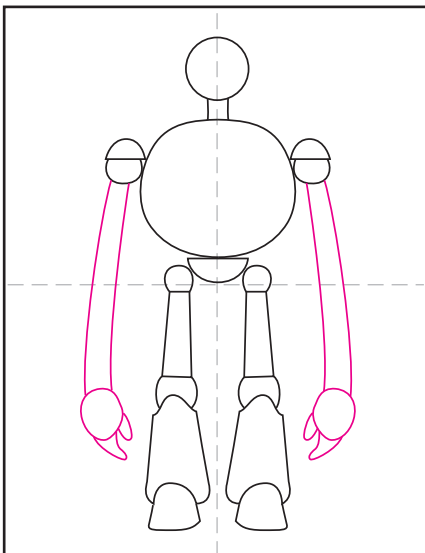

4. Draw bottom of the feet.

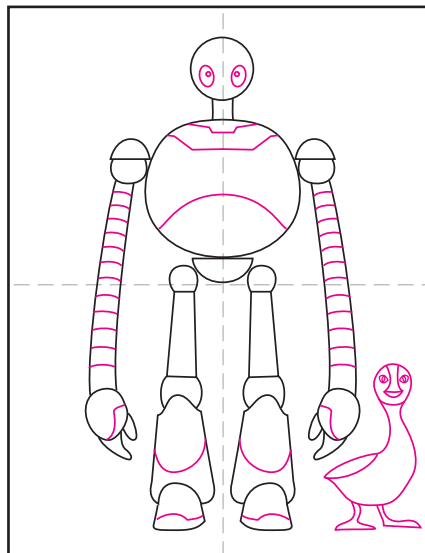

5. Add sections above the feet.

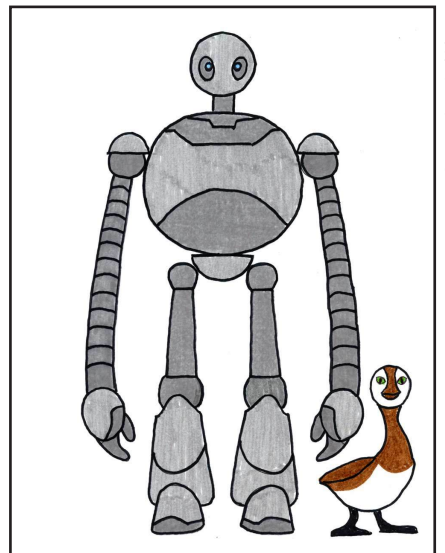

6. Connect with leg section shown.

7. Draw two long arms.

8. Add all the detail lines inside and the duck Brightbill.

9. Trace with a marker and color.
