

How to Draw The Scream

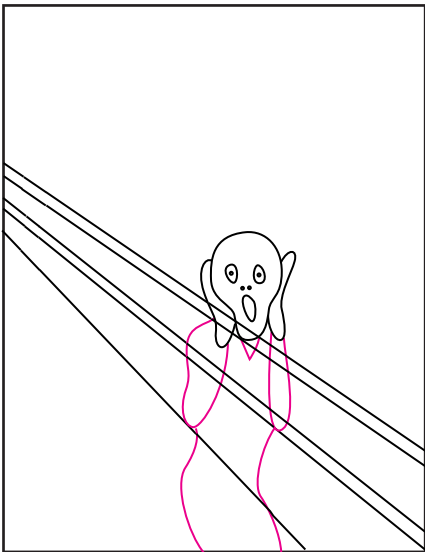

1. Draw three diagonal lines, or use the template on page 3.

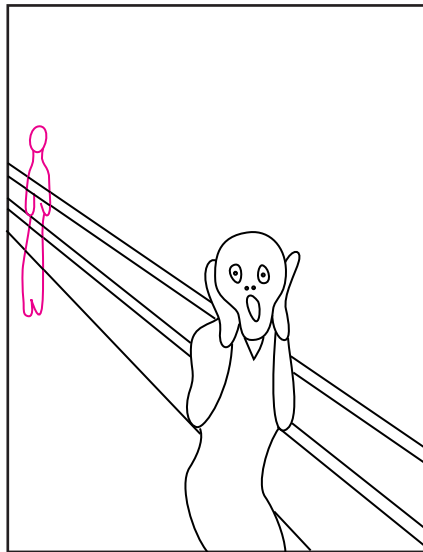

2. Add two more diagonal lines to create the railing.

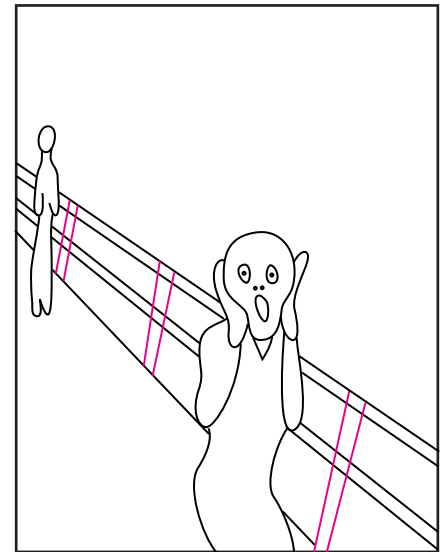

3. Draw the scream head and hands.

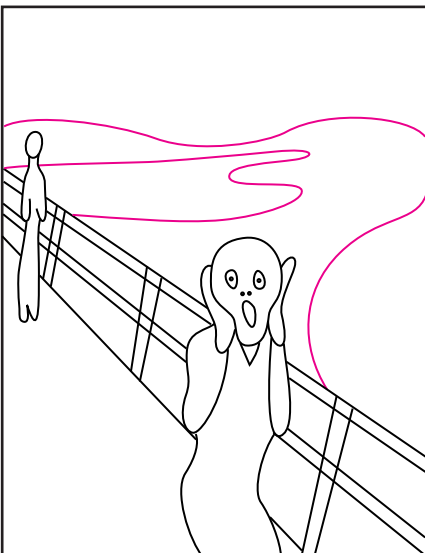

4. Add the arms and swerved body.

5. Erase lines inside the main figure. Draw the tall figure in the background.

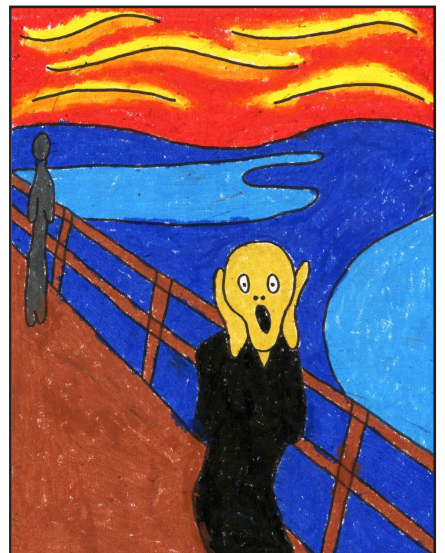

6. Erase lines inside it too, and add pole lines to the railing.

7. Draw the main swervy shapes in the background.

8. Add more curved lines in the sky.

9. Trace with a marker and color with gel crayons, if you have them.
