

Draw an Easy Native American Mask

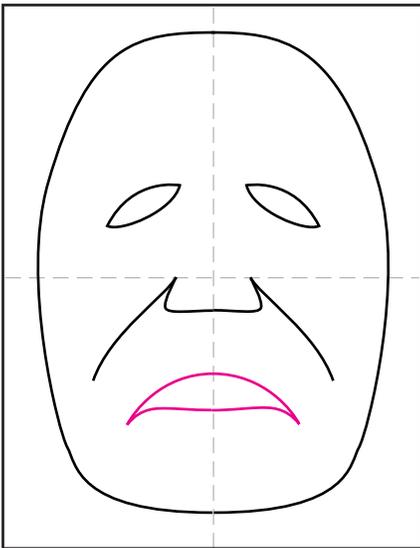

1. Draw the outside shape of the head.

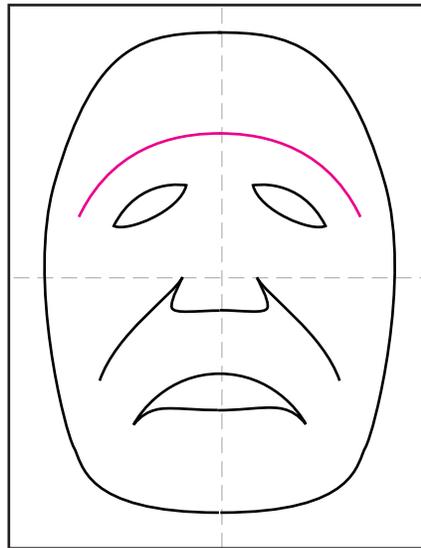

2. Add two slanted eyes near the top.

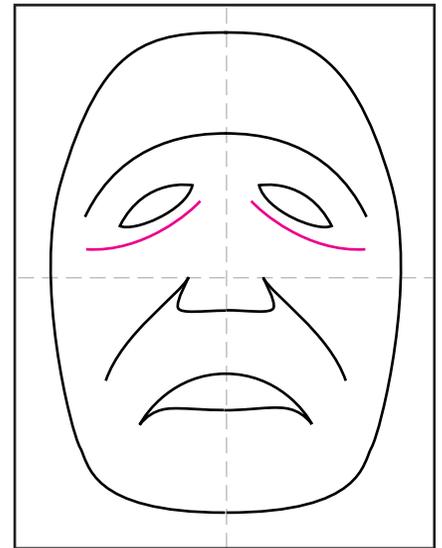

3. Add the nose and cheek lines.

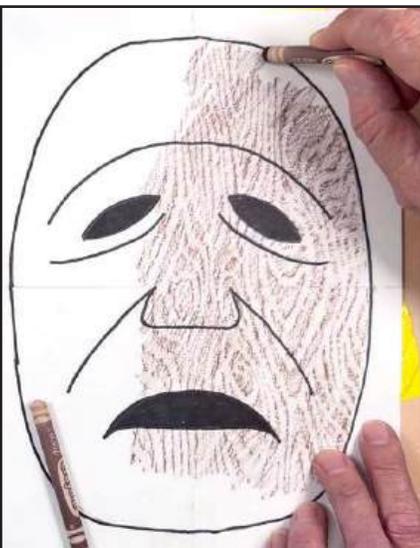

4. Draw downturned mouth.

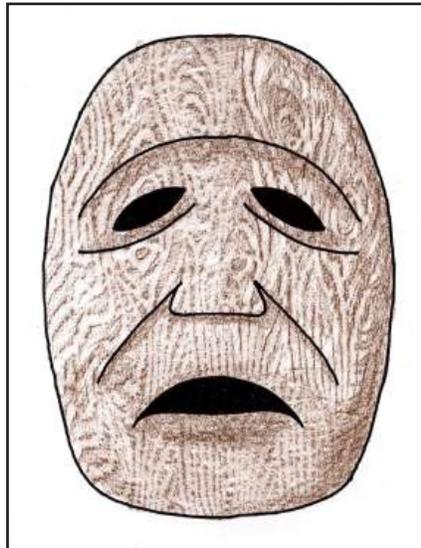

5. Add large brow line above the eyes.

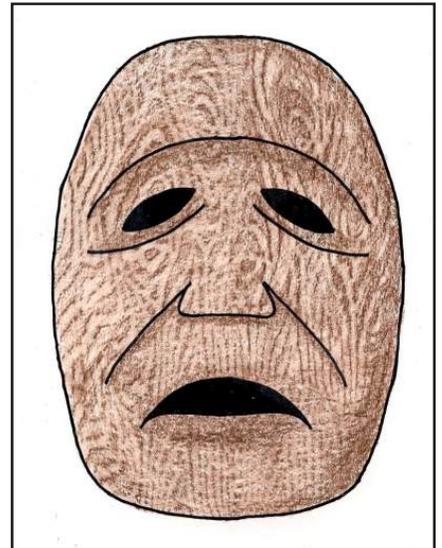

6. Add curved lines below the eyes.

7. Trace and fill eyes and mouth with a black marker. Use brown crayon on rubbing plate to make the texture.

8. Remove the rubbing plate and use the brown crayon to color softly on the side and more to make shadows.

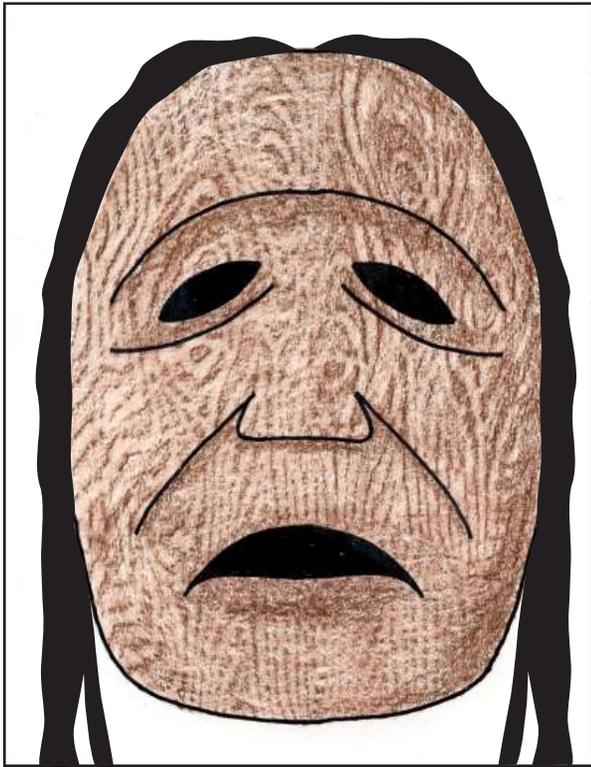

9. Find creamy brown crayon (skin tones are good for this) and color over all.
