1. On an 8.5" square sheet of cream paper, draw a large U shape.

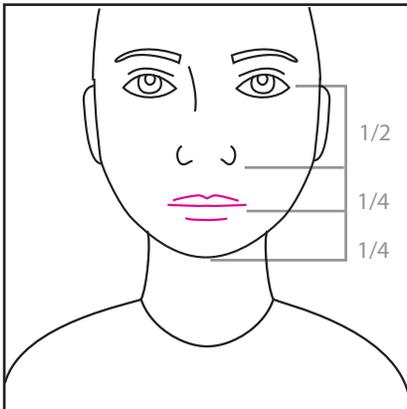

2. Add a neck and shoulders. They should fill and touch the corners.

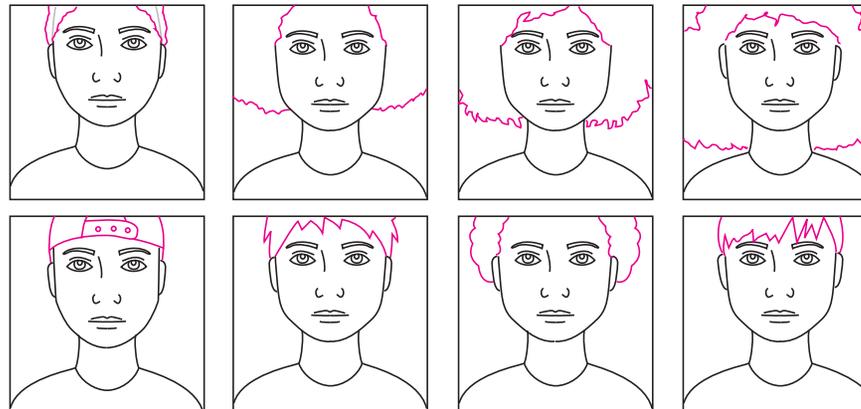

3. Draw two eyes near the top.

4. Draw the eyebrows, ears and nose. Follow the standard proportions shown.

5. Add a mouth centered below nose.

6. Draw your hair and erase the head line inside. Here are some different ideas.

8. Trace with a marker and color all but the top. Be sure to use skin colors.

9. Use metallic markers to draw lots of line art flowers on a colored sheet of card stock paper.

10. Cut out the portrait and glue it in on the card stock paper.

11. Use the metallic markers to continue the flower and leaf shapes on to the top.
