

# How to Draw Circle Roses

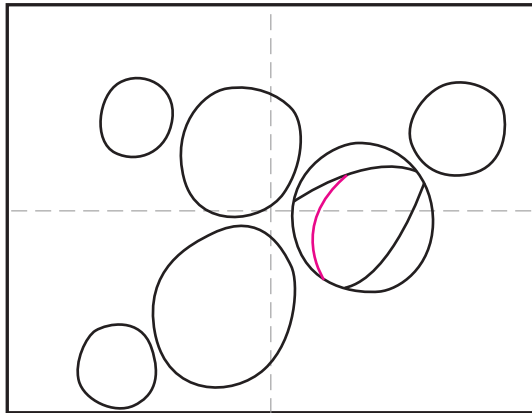

1. Draw six circles.

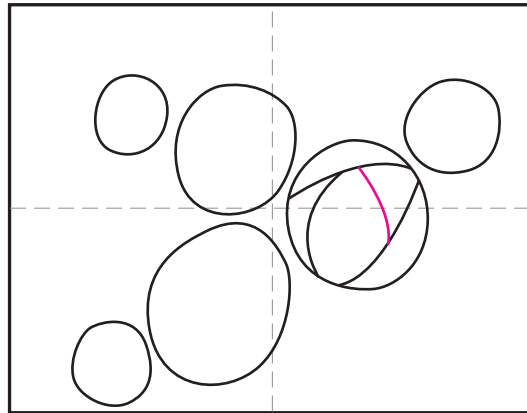

2. For each rose, start with a curved line.

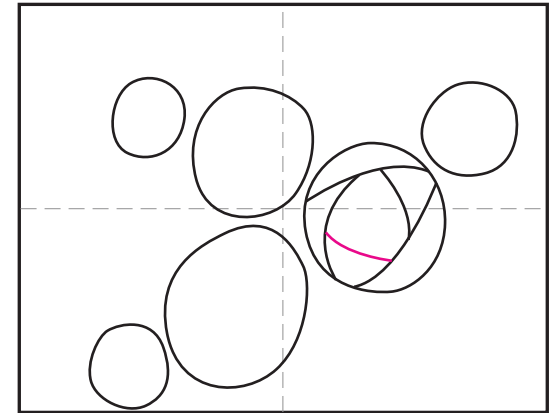

3. Add another to kind of make a V shape.

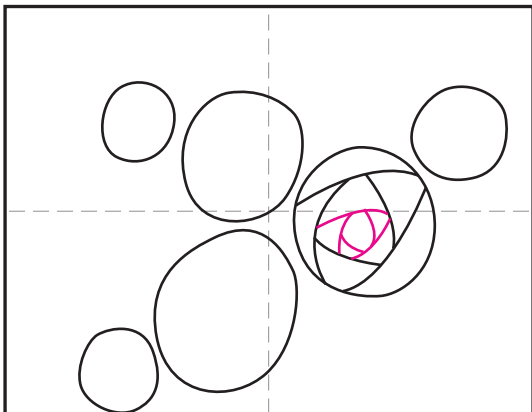

4. Start another V shape that is turned a bit.

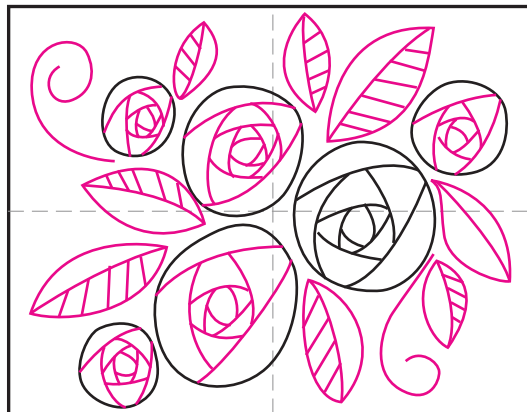

5. Finish that V shape.

6. Rotate to start another V shape.

7. Finish the V shape and add one more inside.

8. Repeat for all the roses, and leaves and swirls.

9. Trace with a marker and color.
