

How to Draw a Labrador

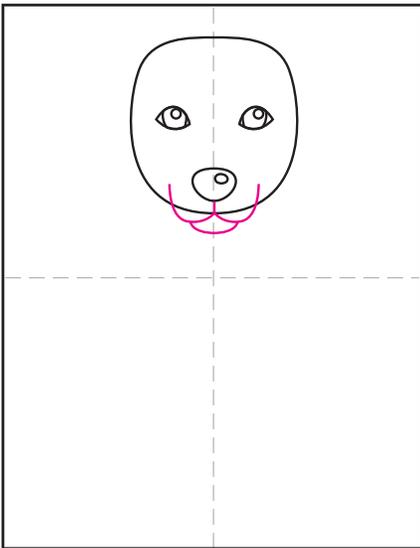

1. Draw a circle for the head.

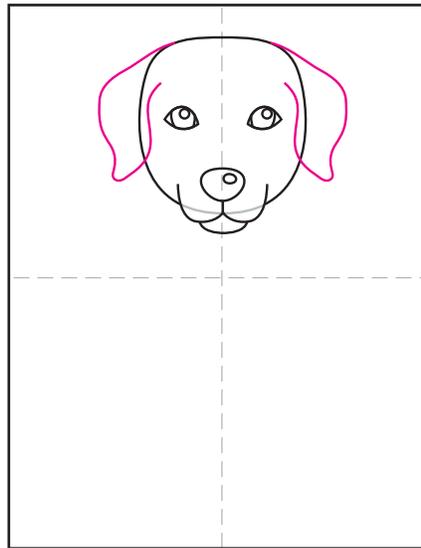

2. Add the two eyes.

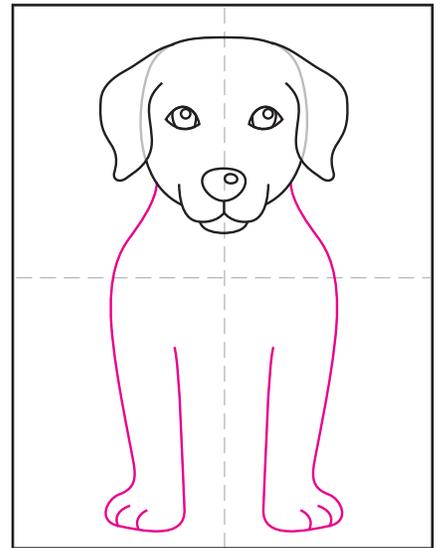

3. Draw a nose and add highlight spots.

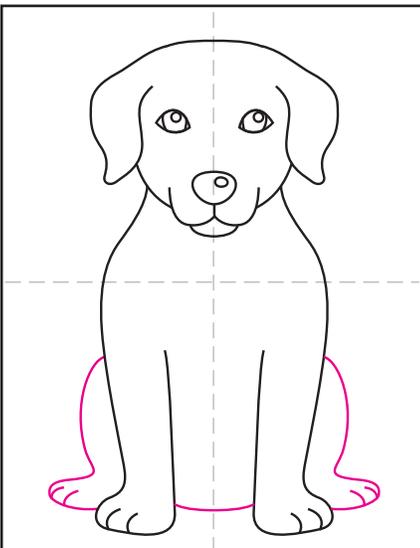

4. Draw the mouth shape at the bottom.

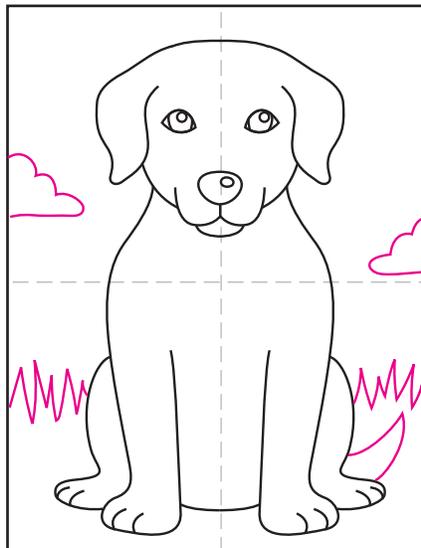

5. Erase the gray lines and add two ears.

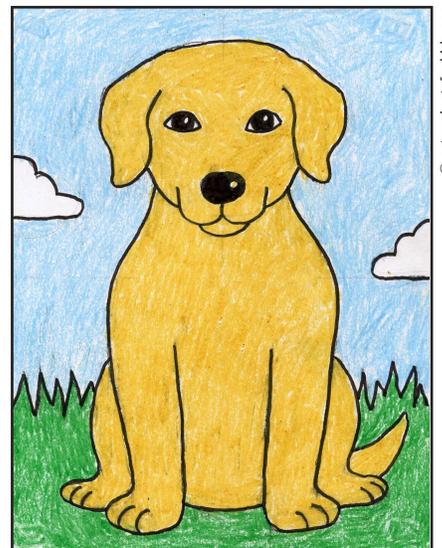

6. Erase the gray lines, add front legs.

7. Add the back leg shapes and belly line.

8. Finish the tail and grass line.

9. Trace with a marker and color.
