

Draw an Octopus

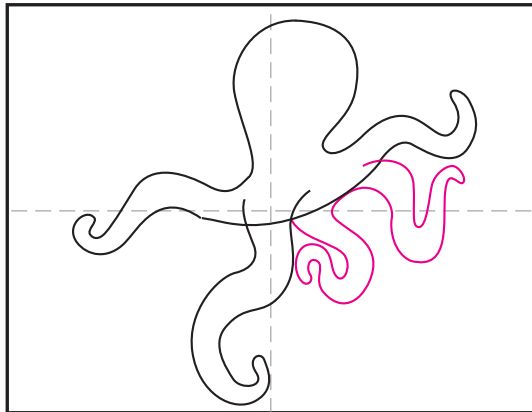

1. Start with the head shape.

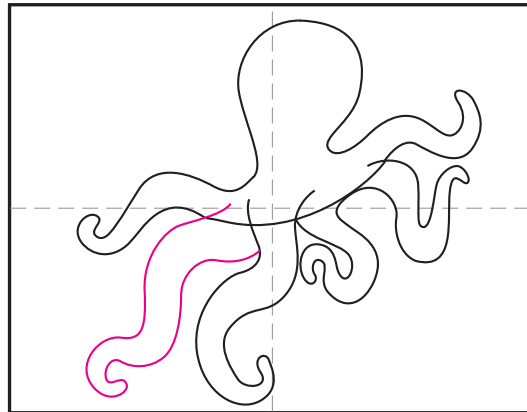

2. Add two outside legs.

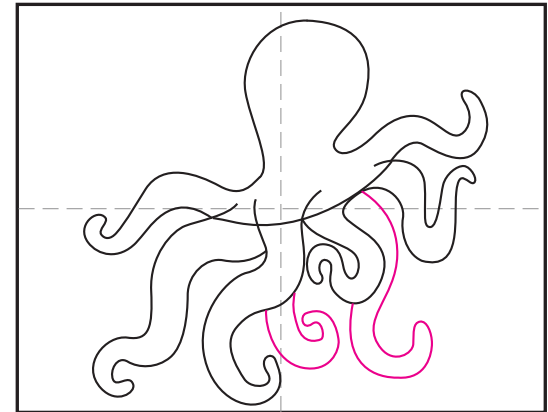

3. Draw a third leg in the middle.

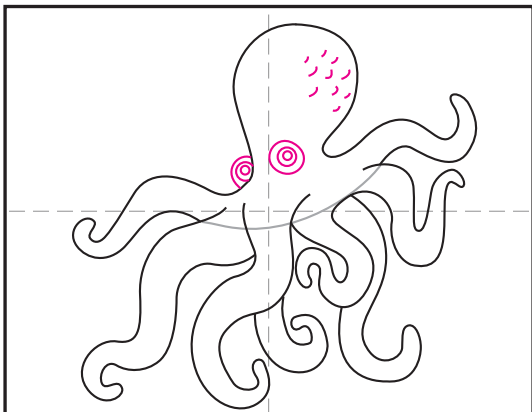

4. Draw two legs in the space on the right.

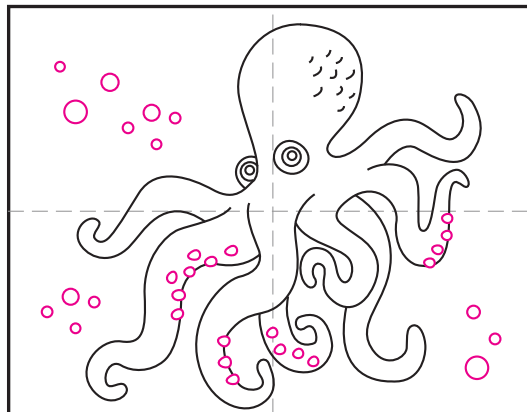

5. Add another leg in space on the left.

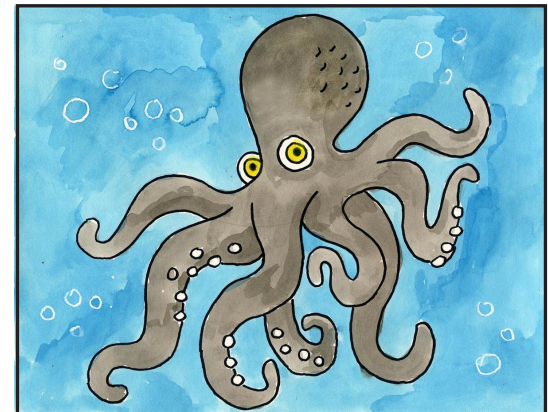

6. Draw two more legs in the background.

7. Erase line, add eyes and bumps on head.

8. Add circles on legs and in the water.

9. Trace with a marker, draw bubbles with white crayon, and paint with watercolor.
