

Draw like Autistic Artist Stephen Wiltshire

1. Use the dots to draw a street.

2. Add the dashed lines inside.

3. Start the skyline with buildings that touch.

4. Continue, making them different heights.

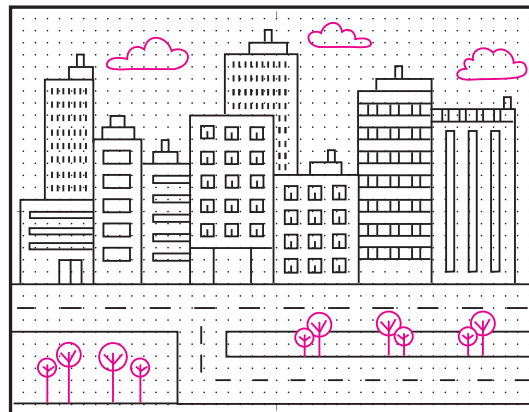

5. Finish with more buildings, filling up the space.

6. Add one or more buildings in the background.

7. Fill in with windows, using square, rectangles or lines, or both.

8. Finish with some landscaping and sky. Add cars or people if you wish.

9. Trace with a medium tip black marker.
