

How to Draw Bowser

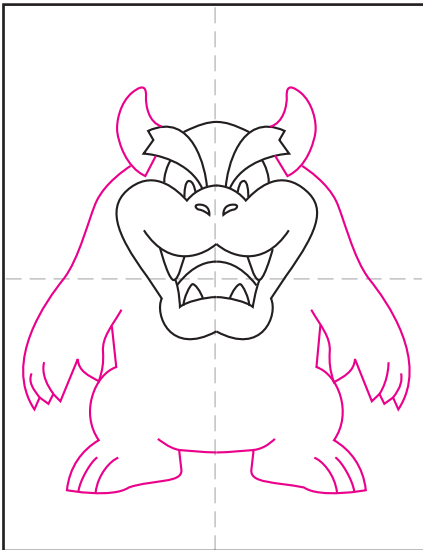

1. Draw the large mouth shape.

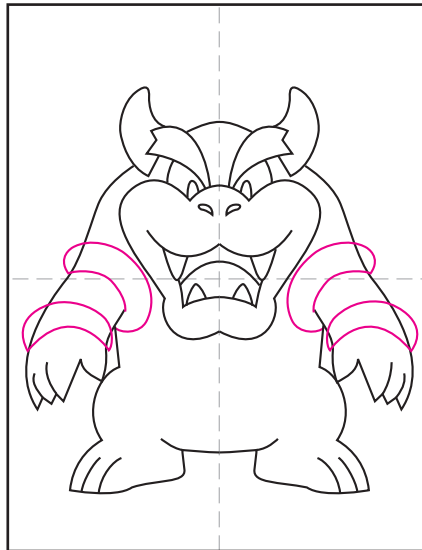

2. Add the teeth, tongue and nostrils.

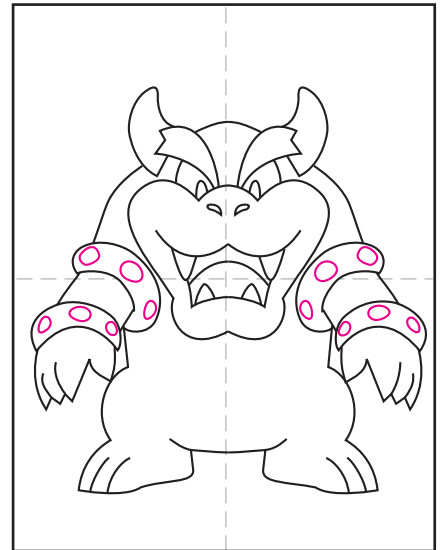

3. Draw the eyebrows and eyes.

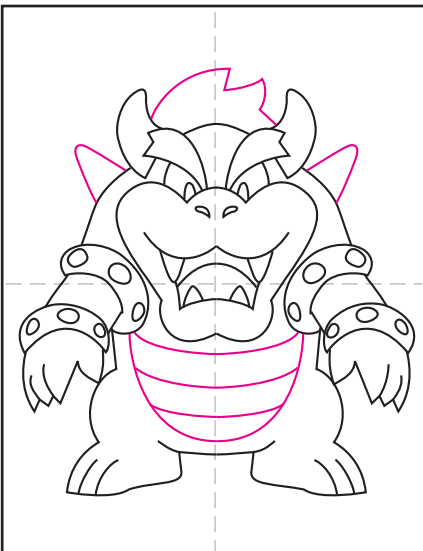

4. Add horns and the body shape.

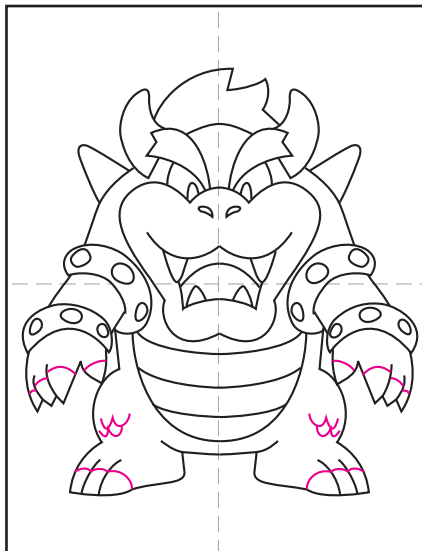

5. Draw the rings around the arms.

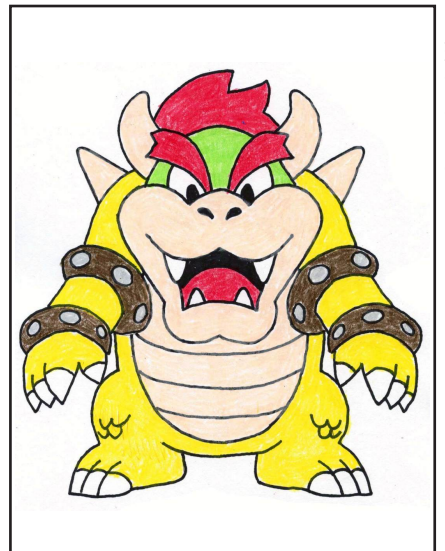

6. Add oval studs on the rings.

7. Draw the belly, spikes and hair.

8. Finish fingers and toes with nail lines.

9. Trace with a marker and color.
