

# Pipe Cleaner People

SUPPLIES: Two pipecleaners needed person

1. Fold the first pipe cleaner in half. Shape a head and twist once or twice to secure the neck.

2. Form two symmetrical folded arms that are the same length.

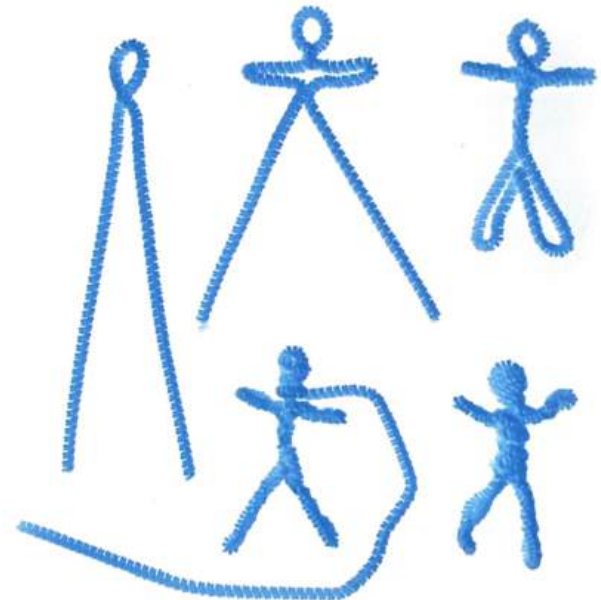

3. Twist 3 or four times to make the torso. Use the remaining length to form two legs.

4. Twist the legs so they look like one thick pipe cleaner. Take the second pipe cleaner and start to wrap the head.

5. Continue to wrap the torso until the length is all used up.

6. Repeat with many different colors. Try to make each strike a different pose.
