

# How to Make a Summer Drawing

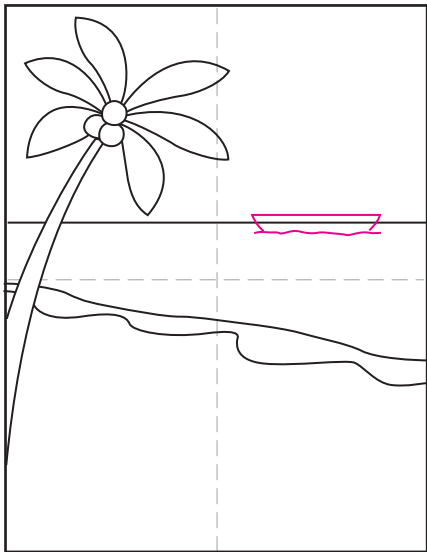

1. Draw horizon line and water edge.

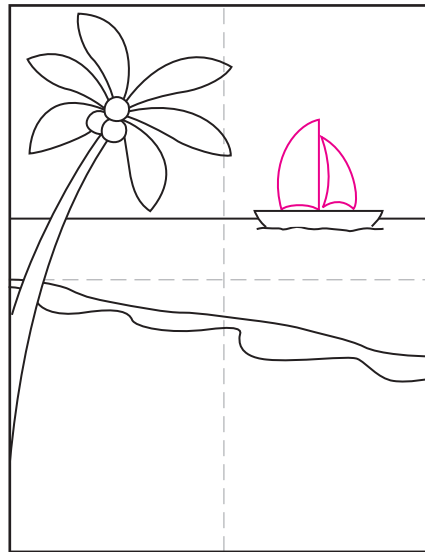

2. Start the palm tree on the left.

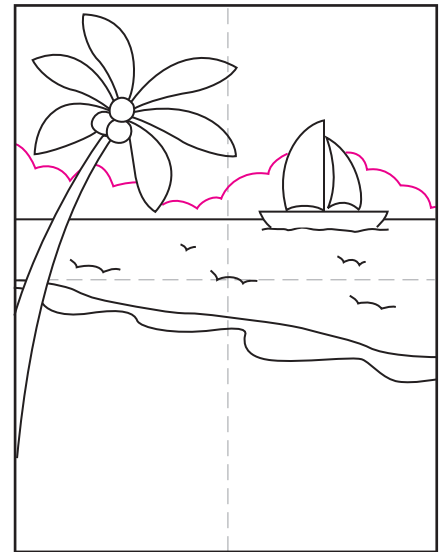

3. Draw the palm leaves.

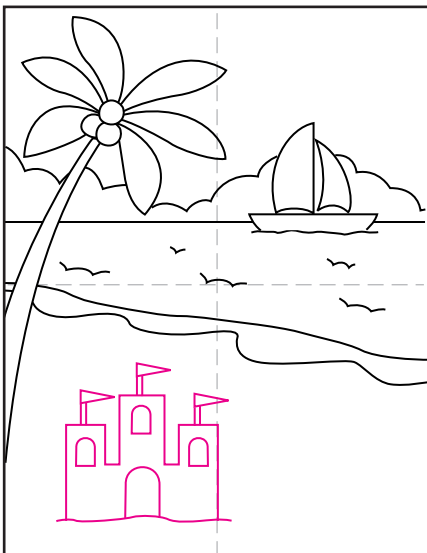

4. Draw the bottom of a boat.

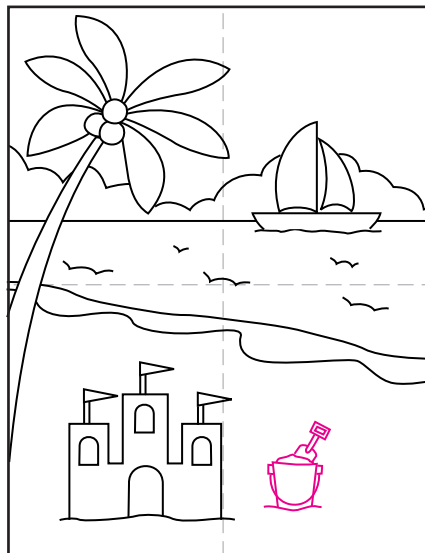

5. Add the sails above it.

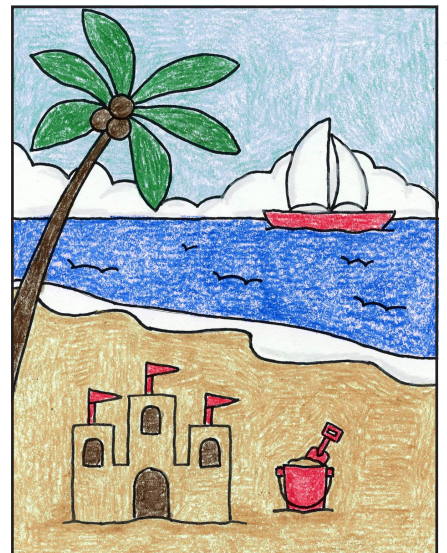

6. Draw puffy clouds on the horizon.

7. Draw a sandcastle.

8. Add a bucket to the side.

9. Trace with a marker and color.
