# Draw a Halloween Pumpkin

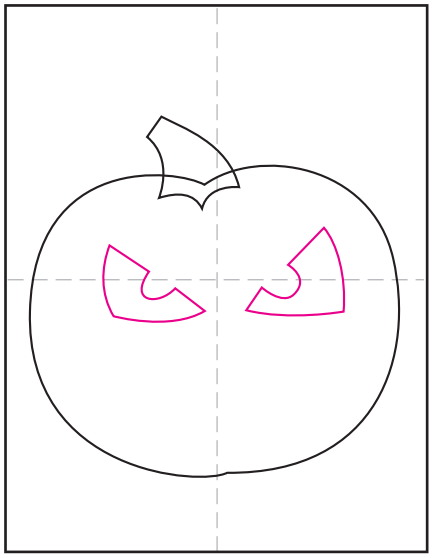

1. Draw a large apple like shape.

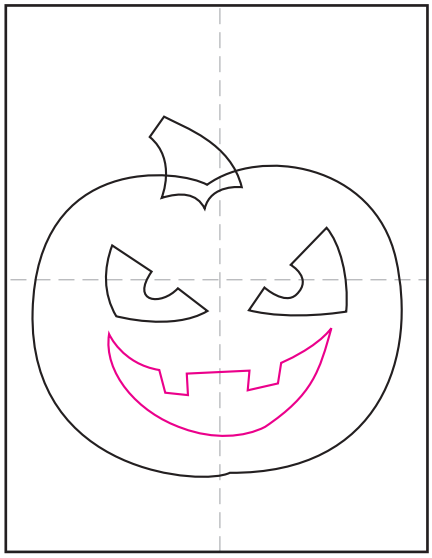

2. Start the stem near the top.

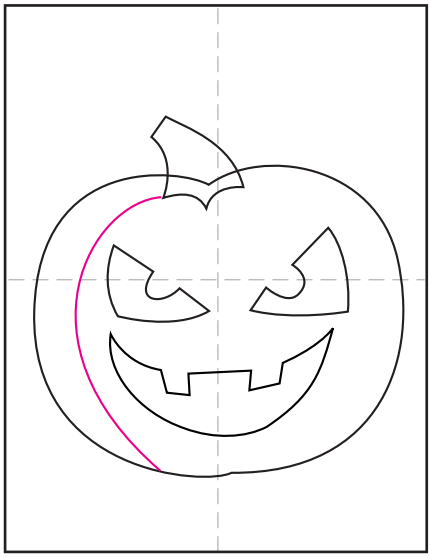

3. Add a bottom line like this.

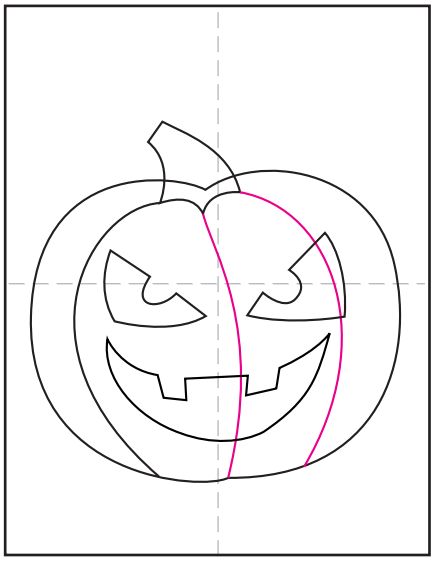

4. Draw your pumpkin eyes.

5. Draw the pumpkin mouth.

6. Start the section lines.

7. Continue, they may go through the eyes and mouth.

8. Erase the lines inside. Draw grass and background sky.

9. Trace with a marker and color.
